The Divine Hours, 2001 When Phyllis Tickle's marvelous devotional trilogy The Divine Hours appeared readers responded with gratitude praise and a great many requests for an edition of hourly prayers that they could easily carry with them an edition that would make this ancient form of Christian worship compatible with the pace and mobility of modern life Now in The Divine Hours Packet Edition Tickle has gathered one full week of fixed hour prayers providing an ideal companion for travelers office workers people on retreat or pilgrimage as well as newcomers to this age old spiritual practice Seven daily offices are offered for each day of the week and each office contains the Call to Prayer the Request for Presence the Greeting the Reading the Gloria the Psalm the Small Verse the Lord's Prayer the Petition and the Final Thanksgiving Tickle draws her texts primarily from the Book of Common Prayer and the writings of the Church Fathers and includes memorable devotional and meditative poems by Cleland McAfee Charles Wesley and others

BOOK JACKET

Eastertide Phyllis Tickle, 2010-03-10 In her acclaimed trilogy The Divine Hours Phyllis Tickle introduced modern Christians to the time honored practice of praying the hours In this exquisite new volume she provides a vibrant program of prayer dedicated to the anticipation of Christ's resurrection Beginning with Ash Wednesday and moving through Lent and on to Easter Sunday Eastertide provides the daily prayers that bring practitioners into the full spirit of this season Each day is filled with psalms readings from the Bible and hymns of praise and worship just as they appear in the larger volume The Divine Hours Prayers for Springtime Newcomers to this beloved tradition will find that Eastertide is the perfect introduction to joining the ancients in the tradition of fixed hour prayer A wise rabbi once told me that it is not how many prayers we don't say that matters to God but rather how many we do That is important to all of us but especially for beginners If this is your first attempt to return to this most ancient of Christian practices it is wise to remember that you are entering into a discipline and like all disciplines this one sits hard and heavy upon one at times There are hours you will miss and or some that you can't even begin to figure out how to observe That is all right for either the joy will carry you into greater joy and transmute the discipline into privilege or you will find yourself simply the wiser and the richer for such experience as you have had As the rabbi said that is what matters ultimately

Prayer as Night Falls Kenneth Peterson, 2013-10-01 This beautiful book allows you to experience and participate in the last of the daily cycle of fixed hour prayer Compline Kenneth Peterson has sung Compline at St Mark's Episcopal Cathedral in Seattle since the mid 1960s and tells the story of the history and themes of the office woven together with reflections from his own spiritual journey Links are included to musical selections that illuminate the book's chapters A comprehensive look at this ever popular contemplative prayer service at the end of the day *Preaching Jesus* Eunjoo Mary Kim, 2024-05-29 How can postcolonial approaches make a difference in preaching Jesus The many postcolonial approaches used in this book will help preachers reinterpret the stories metaphors and characters in the Bible and create new images of Jesus rooted in his historical identity as a colonized person Preaching Jesus with new images that are totally different from the traditional colonial ones not only challenges listeners to reconsider their individual and communal identities as followers of Jesus but also provides them with theological and ethical guidance for living out those identities in daily life Ultimately preaching Jesus through postcolonial approaches is a prophetic ministry that awakens listeners and their communities to seek reconciliation between colonized and colonizers and suggests a common ground of faith and hope for the life enhancing future of all people living in the twenty first century The five chapters of this book employ diverse postcolonial hermeneutical and homiletical methods across a broad disciplinary spectrum This range includes intersectional and interdisciplinary studies with historical literary and cultural approaches in dialogue with phenomenological philosophy a postcolonial practical theological method postcolonial feminist interpretation postcolonial biblical hermeneutics and postcolonial intertextuality All these approaches invite the colonized and their descendants to be conversation partners and reflect their lived experiences in the reimagining the identity of Jesus Moreover the theological and homiletical insights gained through such postcolonial approaches will help preachers invite their listeners into a partnership with the triune God in order to participate in God's reconciling work The

postcolonial approaches used in this book contest the dominance of traditional assumptions and practices of preaching Jesus and propose a new homiletical paradigm that makes it possible for Christian preaching to contribute to the transformation of our present world into a life lived together in justice and peace with the new images of Jesus as postcolonial self postcolonial song postcolonial child postcolonial body and postcolonial friend *Wrapped in Gray* Todd Bunker, 2002-08 **Reseeding Religious Life Through Global Sisterhood** Susan Rose Francois, Juliet Mousseau, 2024-11-15 In *Reseeding Religious Life through Global Sisterhood* sisters from around the world reflect on a synodal vision and engage in a contemplative dialogue on the emerging future of religious life
