XOXY Kimberly M. Zieselman, 2020-03-19 AMERICAN LIBRARY ASSOCIATION 2021 STONEWALL HONOR BOOK Meet Kimberly a regular suburban housewife and mother whose discovery later in life that she was born intersex fuelled her to become an international human rights defender and globally recognised activist Charting her intersex discovery and her journey to self acceptance this book movingly portrays how being intersex impacted Kimberly s personal and family life as well as her career From uncovering a secret that was intentionally kept from her to coming out to her family and friends and fighting for intersex rights her candid and empowering story helps breakdown barriers and misconceptions of intersex people and brings to light the trauma and harmful impact medical intervention continues to have on the intersex community Written from a non queer perspective and filled with much needed straightforward information and advice about what it means to be intersex this is a vital and timely resource for intersex people and their families as well as the general reader **Jesus**

Christ for Contemporary Life Don Schweitzer, 2012-02-13 Jesus Christ for Contemporary Life is an understanding of Jesus as the Word of God grounded in what can be known historically of Jesus and informed by subsequent reflection upon him which hopes to help shape a Christian identity characterized by bounded openness Don Schweitzer moves from the historical Jesus to the present in three parts In the first part Schweitzer develops an understanding of Jesus as the Word of God who became incarnate to give the goodness and beauty of God further expression in time and space Second he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives And finally Schweitzer explores how Jesus relates to people in the church to the events and movements in history to other religions and to Christians in their dialogue with God in prayer **Humanitarian Action and Ethics**

Ayesha Ahmad, James Smith, 2018-06-15 From natural disaster areas to conflict zones humanitarian workers today find themselves operating in diverse and difficult environments While humanitarian work has always presented unique ethical challenges such efforts are now further complicated by the impact of globalization the escalating refugee crisis and mounting criticisms of established humanitarian practice Featuring contributions from humanitarian practitioners health professionals and social and political scientists this book explores the question of ethics in modern humanitarian work drawing on the lived experience of humanitarian workers themselves Its essential case studies cover humanitarian work in countries ranging from Haiti and South Sudan to Syria and Iraq and address issues such as gender based violence migration and the growing phenomenon of volunteer tourism Together these contributions offer new perspectives on humanitarian ethics as well as insight into how such ethical considerations might inform more effective approaches to humanitarian work **Learning**

The Injustice of Property Stephen Przybylinski, 2025-07 With the rise of homelessness in many U S cities municipal governments are sanctioning organized encampments as an official strategy for sheltering unhoused people Examining the shortcomings and consequences of these municipal policies The Injustice of Property explores how unhoused individuals living in self managed encampments navigate and organize themselves within and against the confines of liberal property systems Through ethnographic research in Portland Oregon a paradigmatic city in advancing this model of homeless shelter Stephen Przybylinski details the everyday struggles of self managed encampments to highlight how key contradictions inherent to liberal ideology maintain property as a means of structuring sociopolitical equality He argues that justice cannot be realized for unhoused communities within the liberal model of private property due to how liberalism and liberal ideology prioritize the rights and values of property over

the personal rights of self governance The Injustice of Property is a conceptually robust and empirically rich account of the limits of liberal thinking regarding what just property relations look like for unhoused and housed people alike The book shows that while encampment communities struggle to establish alternative property relationships to the traditional model of private ownership the injustices that residents of encampments face provoke a necessary reevaluation of how beneficiaries of property systems influence who can become housing stable and on which terms This insightful book reveals how the injustices surrounding Portland s encampment communities reflect the limits and injustice of liberal property more broadly

An Introduction to the Geography of Tourism Velvet Nelson, 2021-03-12 Tourism is an astonishingly complex phenomenon that is becoming an ever greater part of life in today s global world This clear and engaging text introduces students to this vast and diverse subject through the lens of geography the only field with the breadth to consider all of the aspects activities and perspectives that constitute tourism

The Colonial Shadow Kira Celeste, 2023-02-24 The Colonial Shadow examines the colonial psychology that has shaped what is now known as Canada This psychology has perpetrated devastating harm over the last half a millennium and continues to oppress Indigenous people and degrade the environment This book is inspired by the tenet of depth psychology that stories and myths from one s own ancestry can bring about transformation and deep changes in perspective As such it investigates how an alchemical way of imagining into white settler colonial consciousness might contribute to its accountability and psychological healing today The Colonial Shadow will be an invaluable resource for professionals academics and students of Jungian and post Jungian ideas settler colonial and First Nations studies sociology anthropology and cultural studies as well as for anyone interested in addressing the colonial complex

Mapping Indigenous Presence Kathryn W. Shanley, Bjørg Evjen, 2015-05-14 Despite centuries of colonization many Indigenous peoples cultures remain distinct in their ancestral territories even in today s globalized world Yet they exist often within countries that hardly recognize their existence Struggles for political recognition and cultural respect have occurred historically and continue to challenge Native American nations in Montana and S mi people of northern Scandinavia in their efforts to remain and thrive as who they are as Indigenous peoples In some ways the Indigenous struggles on the two continents have been different but in many other ways they are similar Mapping Indigenous Presence presents a set of comparative Indigenous studies essays with contemporary perspectives attesting to the importance of the roles Indigenous people have played as overseers of their own lands and resources as creators of their own cultural richness and as political entities capable of governing themselves This interdisciplinary collection explores the Indigenous experience of S mi peoples of Norway and Native Americans of Montana in their respective contexts yet they are in many ways distinctly different within the body politic of their respective countries Although they share similarities as Indigenous peoples within nation states and inhabit somewhat similar geographies their cultures and histories differ significantly S mi people speak several languages while Indigenous Montana is made up of twelve different tribes with at least ten distinctly different languages both peoples

struggle to keep their Indigenous languages vital The political relationship between S mi people and the mainstream Norwegian government and culture has historically been less contentious than that of the Indigenous peoples of Montana with the United States and with the state of Montana yet the S mi and the Natives of Montana have struggled against both the ideology and the subsequent assimilation policy of the savagery versus civilization model The authors attempt to increase understanding of how these two sets of Indigenous peoples share important ontological roots and postcolonial legacies and how research may be used for their own self determination and future directions

Thirty Stories Of Hope Dan Wilt, 2013-08-13 Every day that we wake up each of us faces a world filled with the clutter of bad news difficult relationships and unwelcome surprises Hope is the inner belief that in all things God works for the good of those who love Him who have been called according to His purpose Rom 8:28 NIV Hope powered by the rocket fuel of Faith needs to be renewed in us every single day Stories can help do just that As we learn how to forgive to embrace second chances to walk well through the loss of a job to grieve or to experience God's love we start to become people of hope in the world Thirty Stories Of Hope is meant to give you daily strength as you embrace God's promises for yourself and become a Hope Giver in your own world

Paul's Lifesong of Joy and Unity Sharon I. Gresham, 2012-09-05 When Paul and Silas were in prison in Philippi they burst into singing Paul looked at life with a joyful song He found delight when believers lived in harmony The theme of this Bible study is Paul's Life Song Hear his song in the letter he wrote to Philippi even while in another prison Some strains explode with joy while other stanzas carry a minor melody to encourage or warn the people he loved Study his messages and learn how to apply Paul's attitudes regardless of his circumstances This Bible study is rich with insights into the Hebrew and Greek and covers themes Paul brings from the Old Testament or other New Testament teachings Dive deeper into those themes by taking important excursions into the background of the topics This in depth verse by verse investigation is valuable for individuals or groups Enjoy the commentary while completing the workbook and applying the messages to

everyday situations Determine your timeframe for the study as you discover what the Lord Jesus wants to do in your life through Paul Ive had the privilege of knowing Sharon Gresham as a teacher speaker for many years and now as a writer Her commitment to in depth study and application of the Bible is refreshing The Philippians study equips the pastor teacher with a resource much needed in the church today I am excited to teach this study both in our church and as we minister internationally Darrel Auvenshine pastor of Southside City Church Fort Worth Texas With a gift for accurately communicating Gods Word in a relevant and personal way Sharon Greshams in depth study of Philippians will delight and thrill any serious student of the Scriptures I highly recommend it Scott Whitson director of missions Southwest Metroplex Baptist Association and former missionary to Tanzania

Weed Caitlin Donohue,2023-09-05 Humans have used cannabis for thousands of years since Neolithic peoples sought out its medicinal benefits But for the past century its use has been largely criminalized Stigma around cannabis has made it difficult for people of all ages to get straightforward answers about how to minimize health risks related to cannabis consumption or to understand how the plant has shaped and continues to shape society today In *Weed Cannabis Culture in the Americas* culture writer Caitlin Donohue crafts a comprehensive and thought provoking review of cannabis in the Western Hemisphere Donohue s investigation spans from Vancouver Canada to Buenos Aires Argentina interviewing medical researchers educators activists artists business leaders and other experts to explore the long relationship between cannabis and the human race its almost universal prohibition in the twentieth century and modern efforts to legalize the much maligned plant in all its forms

Steward of Stories JoAnn Post,2014-05-30 Drawn from three decades of parish ministry experience *Steward of Stories* opens the delightfully complex and nuanced world of the congregation to a wider audience beyond but including local parish pastors Each chapter brings

together dramatically different stories about ordinary ministry situations organized around a core thematic connection including pastoral incidents focused on topics like Paying Attention Marry Me and Time to Go Linking these together is the interwoven wisdom of an experienced pastor who encourages readers to consider the theological and ministry challenges at stake for us all Clearly written and highly accessible these vignettes are meant for lay and clergy audiences alike especially as they come together in their mutual life in Christian community These are stories about real people drawn from actual events accounts that will prompt thoughtful contemplation and conversation among the faithful about saints and sinners in everyday congregations and situations Each chapter concludes with helpful questions for use in both educational settings and individual study This book is ideal for personal reflection or group discussion and will stimulate a richer awareness of the challenges and opportunities we all face in the ministries we share **The Legend of Diadamia** C. J. Fisher, 2005-12-05

Longtime residents of the Rhode Island mill village Amethyst Hill can tell you all about the haunting in the town's old cemetery The legend of the Amethyst Hill ghost has been around for as long as they can remember But the story becomes all too real for shopkeeper Lydia Gwyndorra and her friend Cory Spenceton who is the sole heir to the mansion that overlooks the town where the Spenceton Textile Mills were once a prosperous industry With the discovery of some old diaries and stories from the past Lydia and Cory are curious to learn what happened that turned a beautiful intelligent young woman from the 1920s into the terrifying Amethyst Hill ghost While they uncover this compelling tale of murder and deception the supernatural activity around them intensifies at an alarming rate as though the ghost were watching their every move and manipulating Lydia and Cory into playing out the parts in a twisted reenactment of her past Discovering the truth behind the legend may no longer be a mere curiosity It now may be a matter of life and death A sequel to Afterimages The Legend of Diadamia is C J Fisher's second novel again combining his love of the old amusement parks from New England with his fascinations in history architecture movies ghost stories and new age philosophy **A Literature Review**, 1986 **Mutual**

Perceptions and Images in Japanese-German Relations, 1860-2010, 2017-06-06 Mutual Perceptions and Images in Japanese German Relations 1860 2010 examines the mutual images formed between Japan and Germany from the mid nineteenth to twenty first centuries and the influence of these images on the development of bilateral relations Unlike earlier research on Japanese German relations which focused on the similarity of these countries historical trajectories this publication presents a more nuanced picture It relativizes perceptions of a special spiritual relationship between Japan and Germany as well as their commonalities of national character through an exploration of previously untapped historical visual and textual sources With essays by sixteen leading scholars in the field this collection is an invaluable contribution to the historiography of modern Japan and Germany and to the field of international relations Contributors are Hans Joachim Bieber Fukuoka Mariko Hakoishi Hiroshi Iwasa Takur Kat Y ko Kawakita Atsuko Gerhard Krebs Kud Akira Heinrich Menkhaus Danny Orbach Peter Pantzer Sven Saaler Sat Takumi Volker Stanzel Suzuki Naoko Tajima Nobuo Tano Daisuke and Rolf
