*The Old Testament and God (Old Testament Origins and the Question of God Book #1)* Craig G. Bartholomew, 2022-12-13 Southwestern Journal of Theology 2022 Book of the Year Award Biblical Studies Craig Bartholomew's *The Old Testament and God* is the first volume in his ambitious four volume project which seeks to explore the question of God and what happens to Old Testament studies if we take God and his action in the world seriously Toward this end he proposes a post critical paradigm shift that recenters study around God The intent is to do for Old Testament studies what N T Wright's *Christian Origins and the Question of God* series has done for New Testament studies Bartholomew proposes a much needed holistic narrative approach showing how the Old Testament functions as Christian Scripture In so doing he integrates historical literary and theological methods as well as a critical realist framework Following a rigorous analysis of how we should read the Old Testament he goes on to examine and explain the various tools available to the interpreter He then applies worldview analysis to both Israel and the surrounding nations of the ancient Near East The volume concludes with a fresh exegetical exploration of YHWH the living and active God of the Old Testament Subsequent volumes will include *Moses and the Victory of Yahweh* *The Old Testament and the People of God* and *The Death and Return of the Son*

**A New Chronology for Old Testament Times** Jan Van Tuyl, 2012 This book brings solutions to a very great list of hitherto unsolved chronological and synchronisation problems The reason why those solutions could be found lies in the extensive research the author made in old and often rare texts instead of limiting himself to the near exclusive source of the Bible Ample use has been made of information that is available in works like the *Books of Enoch* *The Apocrypha* *The Legends of the Jews* *The Seder Olam* the *Book of Jasher* and many more as well as in the texts from known historians like Herodotus and the famous Jewish historian and priest Flavius Josephus Just a few of the many special findings are The real reason why Joseph was so popular with the Pharaoh Sarah was not Abraham's half sister Moses was uncircumcised and even forbade the ritual for 40 years Terah was not 70 years old when he begat Abraham The exact period of the Judges when they started and when they ended A solution for the verse of the about 450 years of Paul's speech Why did the Lord God give form and then blew life into Adam Eve was not made out of Adam's rib but from another body part A

solution to the impossible synchronism of Judah and his sons Enoch made not one but 4 trips to Heaven The definitive answer why did King Josiah attack Necho II Why did King Ahab not fight at Qarqar And many more The book has a unique style It has nothing of the study book difficult to understand texts The subject is serious well researched and treated with respect But that does not mean that it cannot be presented at a fast moving pace in easy to read style with here and there even a bit of humour The purpose of the book is to prove that the promise that the Lord God made to Adam was kept It held that there would be exactly 5500 years between the arrival of Adam in this world and the arrival of Christ Every person who was of importance in that timespan has been visited For every single one there are his years of birth and death or the years of his rule Every person has a short story about some important part of his life his actions or the influence he had on the history of the Hebrew people that lived in that period     Dictionary of the Old Testament: Pentateuch T.
