Curating the Contemporary in the Art Museum Malene Vest Hansen, Kristian Handberg, 2023-02-24 Curating the Contemporary in the Art Museum investigates the art museum as a space where the contemporary is staged in exhibitions collecting practices communication and policies Curating the Contemporary in the Art Museum traces the art museum back to the postwar era Including contributions by established and emerging art historians academics and curators the book proposes that the art museum is engaged in the contemporary in a double sense it re presents contemporary art while the contemporary condition itself also has a significant impact on art and the museum that houses it Presenting a diverse range of international cases of exhibitions and curatorial practices which hail primarily from Europe and Scandinavia the essays examine the politics of staging national international and global framings of modernism as well as the new public spaces shaped in digital practices and changing political frameworks The book investigates both the seminal and the unknown exhibitions and institutions that created contemporary art as we know it today Curating the Contemporary in the Art Museum provides a historical perspective on the museum of contemporary art It constitutes a step towards differencing the canon of modernist and contemporary art and a more complex understanding of the politics of curating the contemporary in the art museum why it will be of interest to academics and students engaged in the study of museums curating exhibitions and art history

In the Land of the Cyclops Karl Ove Knausgaard, 2023-01-10 From the New York Times bestselling author of the My Struggle series comes a collection of ambitious remarkably erudite essays on art literature culture and philosophy In the Land of the Cyclops is Karl Ove Knausgaard s first collection of essays to be published in English In these wide ranging pieces he reflects openly and with penetrating intelligence on Ingmar Bergman s notebooks Anselm Kiefer the northern lights Madame Bovary Rembrandt and the role of an editor Accompanied by black and white reproductions throughout these essays illuminate Cindy Sherman s shadowlands the sublime mystery of Sally Mann s vision and the serious play of Francesca Woodman They capture Knausgaard s remarkable ability to mediate between the personal and the universal between life and art Each piece glimmers with his candor and his longing to authentically see understand and experience the world
