Pope John Paul II Reaching Out Across Borders:

Pope John Paul II Reuters Limited, 2003 In this book Reuters correspondents bring together fresh unique and first hand insights about Pope John Paul II a vivid portrait of him as a man and a realistic forward looking assessment of his achievements his legacy and the Church he leaves to his successors You will meet the man who before joining the priesthood was an athlete an actor a soldier a stonecutter and a published poet who changed history by taking on Communism in Poland then later denounced the spiritual impoverishment of untrammelled capitalism who transformed the Church's tortured relationship with the Jewish community You will meet the moral conservative and reformer who led the Church into its third millennium watching him face storms of debate and scandal within his church as he carries its message of faith to every corner of the world and presides over its explosive growth throughout the developing world This is the only book on Pope John Paul II to draw upon the extraordinary global resources of Reuters the world's leading news agency Notable amongst those resources Vatican correspondent Philip Pullella a world renowned expert on Pope John Paul II who organized Reuters highly successful exhibition of Reuters photographs of the Pope that has been traveling through Europe and will appear throughout the United States to coincide with this book's publication Pope Benedict XVI Stephen Mansfield, 2005-07-21 Includes a new foreword on the resignation and legacy of Pope Benedict XVI The sudden resignation of Pope Benedict XVI comes as the capstone to a papacy that shocked some and delighted others Pope Benedict was both an ardent intellectual and a driven traditionalist charged with leading a divided Catholic Church into a new era In Pope Benedict XVI bestselling author Stephen Mansfield tells the story of a youth who grew up in Nazi Germany and went from being a liberal theologian associated with Vatican II to a theological conservative who became Pope John Paul's closest ally As a cardinal the outgoing pope pursued a firmly traditional path in the last quarter century he excommunicated radical priests cracked down on Marxist liberation theology in Latin America and shaped some of John Paul's more socially conservative positions He also drew a line of distinction between Catholicism and other faiths promulgating respect for but not equality among the historic religions To some Pope Benedict was the ultimate insider whose election ensured that the revolution of John Paul was rendered permanent in our century Mansfield's portrait of Pope Benedict was validated by recent history Benedict XVI will be remembered as the Great Custodian He sustained the return to tradition marked by John Paul Pope Benedict XVI examines its subject specifically from the perspective of a non Catholic a committed Christian without fealty to Rome Mansfield's academic depth his poetic but widely accessible writing style and his ability to take complex religious ideas and make them understandable to the nonreligious make his treatment of Pope Benedict XVI significance for readers of all philosophies and faiths **Globalization** Frank J.
