has always been able to slip into other people's dreams until recently when he unknowingly passed the ability to Maui dive shop owner Tina Greene. She doesn't want the gift, but she wants Jamey, and that means secrets. When Jamey leaves Maui for Seattle, Tina suspects he's heading back to the war in Afghanistan to finish his tour in Sixth Force. Her insecurities lead her to suspect the worst in Jamey, and the discovery of a lie has her turning her back on him. Their shared ability becomes a blessing and a curse when Jamey's life is threatened in the dream world, and Tina must risk her own life to help someone she isn't sure deserves her help.

[The Sea Island's Secret](#) Susan Diamond Riley, 2019-07-31 A fistful of bones and a mysterious treasure hunt, not quite what twelve-year-old Chicagoan Delta Wells is expecting when she arrives on Hilton Head Island, South Carolina, to visit her grandparents for the summer. But when Pops tells her that his beloved Island History Museum may be demolished to make room for a golf resort, Delta visits the museum property and discovers a skeleton hidden in the marsh. The bones and a long secret message from the past send Delta and her younger brother Jax on a race to unearth the island's secrets, save their grandfather's museum, and help complete a mission someone started more than 150 years ago. From the Civil War ruins of Hilton Head to the site of the H.L. Hunley submarine in Charleston and the University of South Carolina's historic Horseshoe in Columbia, Delta and Jax's vacation is an exciting and educational adventure through history.

[Eclipse of Evil](#) A.B.N. Dawn, 2005-12-01 Why is backward Millstone village squeezed in a valley of New Mexico's Sacramento Mountains, ostracized from neighboring towns? Why do villagers stare like mummies, doomed to mindless terror? Why do they shun stunning Silver Lake, gorged with trout? Are ghastly rumors products of superstition and ignorance, or is a diabolical recluse linked to sinister crimes? Such questions haunt three vacationing college freshmen and test their integrity. Events emotionally, mystically, and dangerously bind them to a mysterious loner whom they gallantly, perhaps foolishly, strive to vindicate. In their struggle, they uncover the truth hidden behind a fog of mystical power and hatred and become entangled in a snare of sinister events and confusing leads. They must consider the emotional instability and supernatural powers of the old recluse. They must consider the motives of a beautiful Apache woman who seems to match the paranormal abilities and apparent generous nature of the loner. They cannot ignore a shifty sheriff who bends the law and covers evil deeds. They cannot overlook the remnants of a dissolved cult in the old fishing lodge where they are staying, nor can they disregard old Stella, who uses her status and magicians' tricks to wield power over Millstone folk. In their struggle to redeem good, the three friends' honor, faith, and courage are severely tried by subversive evil. The dichotomous clash escalates from sorrow to betrayal to tragedy to ultimate triumph.
