Popski's Private Army Lt.-Col. Vladimir Peniakoff DSO MC,2016-03-28 In October 1942 Vladimir Peniakoff nicknamed Popski formed his own elite fighting force in the North African desert Over the next year Popski s Private Army carried out a series of daring raids behind the German lines that were truly spectacular freeing prisoners destroying installations spreading alarm This one of the classic memoirs of the Second World War is their story A story of adventure which has no rival in the literature of any war DAILY EXPRESS This is certainly among the best of war books splendid writing THE OBSERVER One of the small handful of really first class war books A superb story of adventure told masterfully brilliantly EVENING STANDARD His courage resourcefulness and qualities of leadership deservedly gained him a high reputation He has now shown that he also possesses unusual literary talent THE DAILY TELEGRAPH *Fighting with Popski's Private Army* Park Yunnie,2011-12-01 This WWII memoir gives the inside story of Britain s legendary demolition squadron and their daring escapades in Italy and Norther Africa During the Second World War a Russian born emigre named Vladimir Peniakoff emerged as a decorated officer of the British Special Forces in Cairo Code named Popski he started the No 1 Demolition Squadron known as Popski s Private Army charged with thwarting Field Marshal Rommel s fuel supply in Northern Africa This is the story of Popski s famous fighting unit as told by his second in command Captain Bob Park Yunnie As Britain s Eighth Army advanced toward Tripoli PPA set out in jeeps across the desert to mount raids behind the Mareth Line in Southern Tunisia In his lively and intimate account Yunnie describes the ensuing action at Gafsa and Kasserine and vividly depicts the sorties which took the men straight across the German Line of Command As Tunis fell to the Allies on May 7th 1943 PPA began raid operations for the Italian Campaign Dropped into Central Italy by RAF gliders they set about blowing up strategic targets while waiting for the Allied landings Yunnie takes command of his own patrol and through a series of daring missions colorful characters flit in and out of the front line action *With Popski's Private Army* Ben Owen,1993

Behind the Lines Michael F. Dilley,2013-09-30 The array of new technologies that came on the scene in the early 20th century resulted in widely varied new forms of military special operations once civilization embarked on its greatest war Suddenly fighting men could be delivered by parachute submarine glider jeeps and fast amphibious craft deep into enemy territory to perform special tasks yet others would continue to perform missions the same as their ancestors in previous wars on foot using stealth endurance and patience This work contains discussions of the employment of various special purpose special mission organizations during World War II These units operated in Allied and Axis countries and in various theaters of war including Europe North Africa the Pacific Asia and the continental United States Representing every major combatant the operations include various kinds of raids intelligence gathering missions support to partisan guerrilla groups prisoner rescues direct action missions and at least two where the object was simply to steal something Some missions would have been officially denied if the operations had been caught in the act The book is divided into two sections Behind Enemy Lines

and Behind Friendly Lines to demonstrate that special purpose organizations can be employed wherever needed even in areas controlled by military units of their own or allied countries Many of the units described run the gamut of special mission types from commando to parachute units reconnaissance to sabotage units and partisan training units as well as those with combined missions Many of the operations described in this book continue to serve as templates for modern Special Operations missions while still others the first attempts of their kind continue to serve as examples of what not to try under the circumstances Michael F Dilley served for 20 years in the U S Army s Military Intelligence branch After retiring from the Army the author served for about ten years as an employee of the Department of Defense then as a contractor for various U S Government agencies in several fields for 15 years Author of several books and many articles a number of these chapters are based on his previous writings for the legendary Behind the Lines magazine **The Marine Corps Gazette**, 1963 Daring Missions of World War II William B. Breuer, 2007-07-23 Critical acclaim for William B Breuer A first class historian Wall Street Journal For Top Tales of World War II As evidenced time and again by the prolific Breuer WWII continues to be a source of absorbing espionage tales This is a book for rainy days and long solitary nights by the fire If there were a genre for cozy nonfiction this would be the template Publishers Weekly A perfect book for the curious and adventure readers and those who love exotic tales and especially history buffs who will be surprised at what they didn t know Recommended for nearly everyone Kirkus Reviews For Secret Weapons of World War II Rip roaring tales a delightful addition to the niche that Breuer has so successfully carved out Publishers Weekly At War on the Gothic Line Christian Jennings, 2016-03-08 Christian Jennings s At War on the Gothic Line tells the little known story of the Allied effort to break the German defenses in Northern Italy told through the eyes of the multi national force that fought it In the autumn of 1944 as Patton s army paraded through Paris another Allied force was gathering in southern Italy Spearheaded by over 100 000 American troops this vast international army was faced with a grim task break The Gothic Line a series of interconnected German fortifications that stretched across the mountains of northern Italy Striving to reach Europe s vulnerable underbelly before the Red Army these Allied soldiers fought uphill against entrenched enemies in some of the final and most brutal battles of the Second World War In At War on the Gothic Line veteran war correspondent and historian Christian Jennings provides an unprecedented look inside this unsung but highly significant campaign Through the eyes of thirteen men and women from seven different countries Jennings brings history to life as he vividly recounts the courageous acts of valor performed by these soldiers facing overwhelming odds even as many experienced discrimination at the hands of their allies and superiors Witness the courage of a young Japanese American officer willing to die for those under his command Lie in wait with a troop of Canadian fur trappers turned snipers Creep along mountain paths with Indian warriors as they assault fortified positions in the dead of night Learn to fear a one armed SS Major guilty of some of the most atrocious war crimes in the European theater All these stories and more pack the pages of this faced paced action heavy history taking readers inside

Popskis Private Introduction

In today's digital age, the availability of Popskis Private books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Popskis Private books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Popskis Private books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Popskis Private versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Popskis Private books and manuals for download are incredibly convenient. With just a computer or

smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Popskis Private books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Popskis Private books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Popskis Private books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Popskis Private books and manuals for download and embark on your journey of knowledge?
