R Barnett

Popular Protest In Late Medieval Europe Italy France And Flanders:

Popular Protest in Late-Medieval Europe Samuel Kline Cohn, 2004 The documents in this fascinating volume focus on the contagion of rebellion that followed the Black Death which ravaged Europe in the years between 1355 and 1382 They comprise a diversity of sources and cover a variety of forms of popular protest in different social political and economic settings Their authors include revolutionaries the aristocracy merchants and representatives from the church Of more than 200 documents presented here most have been translated into English for the first time providing students and scholars with a new opportunity to compare social movements across Europe over two centuries **Popular protest in late-medieval**

Europe Samuel Kline Cohn Jr, 2013-01-01 The documents in this stimulating volume span from 1245 to 1424 but focus on the contagion of rebellion from 1355 to 1382 that followed in the wake of the plague They comprise a diversity of sources and cover a variety of forms of popular protest in different social political and economic settings Their authors range across a wide political and intellectual horizon and include revolutionaries the aristocracy merchants and representatives from the church They tell gripping and often gruesome stories of personal and collective violence anguish anger terror bravery and foolishness Of over 200 documents presented here most have been translated into English for the first time providing students and scholars with a new opportunity to compare social movements across Europe over two centuries allowing a re evaluation of pre industrial revolts the Black Death and its consequences for political culture and action This book will be essential reading for those seeking to better understand popular attitudes and protest in medieval Europe **Popular**

Protest in Late Medieval English Towns Samuel Kline Cohn, Douglas Aiton, 2013 Draws new attention to popular protest in medieval English towns away from the more frequently studied theme of rural revolt **Lust for Liberty** Samuel Kline

Cohn, 2006-06-15 Comparing rebellions in northern and southern Europe over two centuries Cohn analyzes their causes and forms their leadership the role of women and the suppression or success of these revolts The book offers a new interpretation of the Black Death and the increase of and change in popular revolt from the mid 1350s to the early 15th century

Popular Protest in Late-Medieval Europe Samuel Kline Cohn, 2004 The documents in this fascinating volume focus on the contagion of rebellion that followed the Black Death which ravaged Europe in the years between 1355 and 1382 They comprise a diversity of sources and cover a variety of forms of popular protest in different social political and economic settings Their authors include revolutionaries the aristocracy merchants and representatives from the church Of more than 200 documents presented here most have been translated into English for the first time providing students and scholars with a new opportunity to compare social movements across Europe over two centuries Communes and Conflict: Urban

Rebellion in Late Medieval Flanders Jelle Haemers, Jan Dumolyn, 2023-09-04 In Communes and Conflict Jan Dumolyn and Jelle Haemers explore the urban rebellions that regularly erupted in Flanders between the thirteenth and sixteenth centuries They analyse not only how these rebellions were sparked and repressed but also how they shaped the culture and identity of

Flemish townspeople Drawing from a wide range of theoretical methods and concepts including those of discourse analysis semiotics speech acts collective memory and material cultural studies the authors return to key Marxist questions on ideology labour and class interest to map the perspectives of the rebels the urban patriciate and the Flemish and Burgundian nobility

Popular Protest in Late Medieval English Towns Samuel Kline Cohn, Douglas Aiton, 2014-05-14 Contrary to received opinion revolts and popular protests in medieval English towns were as frequent and as sophisticated if not more so as those in the countryside This groundbreaking study refocuses attention on the varied nature of popular movements in towns from Carlisle to Dover and from the London tax revolt of Longbeard in 1196 to Jack Cade's Rebellion in 1450 exploring the leadership social composition organisation and motives of popular protest The book charts patterns of urban revolt in times of strong and weak kingship contrasting them with the broad sweep of ecological and economic change that inspired revolts on the continent Samuel Cohn demonstrates that the timing and character of popular revolt in England differed radically from revolts in Italy France and Flanders In addition he analyses repression and waves of hate against Jews foreigners and heretics opening new vistas in the comparative history of late medieval Europe

Protest, Resistance and Popular Politics in Late Medieval Scotland Gordon McKelvie, 2025-07-23 This book is the first sustained analysis of popular politics in Scotland during the fourteenth and fifteenth centuries Despite the long running historiography on popular protests in both England and continental Europe there has been little discussion of this phenomenon in Scotland in part because historians specialising in Scotland have paid little attention to the phenomenon of popular revolt save an occasional comment in wider studies There were no large scale popular uprisings in Scotland like the Peasants Revolt in England the Jacquerie in France or the Ciompi in Florence but that does not mean that the wider populace was not politically engaged Indeed many of the key sources for late medieval Scotland including The Bruce Scotichronicon The Dethe of the Kynge of Scotis and the records of the Scottish parliament all contain hints of popular political engagement It is only when these sources are read with a focus on the lower echelons of society that a clearer picture of a populace with political ideals they sought to uphold emerges

Flemish Textile Workers in England, 1331-1400 Milan Pajic, 2023-11-30 The story of immigrant textile workers from Flanders and their contributions to the English textile industry

Roger II and the creation of the Kingdom of Sicily, 2014-01-01 This student friendly volume brings together English translations of the main narrative sources and a small number of other relevant documents for the reign of Roger II the founder of the kingdom of Sicily The kingdom created by King Roger was the most centralised and administratively advanced of the time but its genesis was fraught with difficulty as the king sought to extend his power from the island of Sicily and Calabria into other parts of the south Italian mainland This struggle that lasted from 1127 until 1140 is graphically revealed by the two main texts in this book A number of other texts illuminate key aspects of the reign the relationship with the papacy the German invasion of 1137 that came close to toppling the king's rule the expansion of Sicilian power into the Abruzzi in 1140 and the law and

administration of the kingdom often seen as a model for the growth of effective government in the twelfth century Despite the great intrinsic interest of the reign of King Roger these texts have never appeared in English translation before This will be an invaluable resource for students and scholars of medieval Europe
