Extranjero en todas partes Mercedes Halfon, 2025-10-15 Un viaje biográfico al exilio porteño de Witold Gombrowicz En agosto de 1939 un buque llega a Buenos Aires con una delegación de empresarios diplomáticos y periodistas polacos a bordo A los pocos días el capitán recibe la orden de regresar frente al inminente comienzo de la guerra en Europa En el último momento uno de ellos decide desembarcar y quedarse en puerto Así es como empieza la inesperadamente larga estadía en Argentina de uno de los narradores imprescindibles del siglo XX Witold Gombrowicz Extranjero en todas partes arranca justo en ese instante crucial El libro recorre la vida del autor de Ferdynand al mismo tiempo que ofrece una serie de claves para la lectura de su obra Con la ayuda de sus propios escritos y de entrevistas a destacados escritores y académicos Mercedes Halfon despliega una biografía singularmente viva y atravesada por un sutil sentido del humor que cubre un periodo apasionante en el que Witold Gombrowicz se gana la vida a duras penas frecuenta cafés librerías y salones viaja entre la capital y el interior escribe y procura situarse como autor Con inteligencia rigor y una prosa limpia y elegante la autora se adentra en el panorama cultural bonaerense de entre finales de los años treinta y comienzos de los sesenta para entregar el retrato no solo de una personalidad literaria única sino de toda una época En todas partes hay de todo Joaquina Vera, 1858

Quechua de Huarás, en Español e Inglés: Glosario Menandra Mosquera, 2012-11-30 This glossary has been prepared in order to leave a record of the Quechua spoken by the people of Huarás and surrounding areas in the mid 20th century Huarás capital of the Region Department of Ancash Peru has a distinct form of Quechua That dialect was endangered due to a massive earthquake on May 31 1970 Tens of thousands of people died and the city was destroyed Many of the survivors left the area Once rebuilt Huarás was repopulated with people new to the area who use Spanish or a different dialect to communicate Since then technological influences such as the Internet also reinforce the use of Spanish to the detriment of the local Quechua Born in Huarás I was raised in a bilingual environment Spanish and Quechua Although I left the area to attend the university I could always feel at home upon returning until that earthquake Since then it seems strange to return to an unfamiliar city due to people language and environment I hope this glossary will help the newer generations better understand not only their grandparents and ancestors but the culture from which they come Language and culture are intimately tied and much more than words is lost when a language dies The Inca Empire Tahuantinsuyo was invaded by Spain in 1532 At that time Quechua was spoken never written throughout the Inca civilization with many dialects Since then the Spanish language has been imposed but in Huarás never did it replace Quechua to the extent that it did in 1970 This glossary contains words several verb forms and phrases It is written with the expectation that it may help to preserve the inherited Quechua so that Huarás may remain bilingual It is written for huarasinos the people of Huarás If others find it useful better yet The glossary is in Quechua To facilitate access to the Quechua indices in Spanish and in English are included M Mosquera *Compendium latino-hispanum ...
