Porch Swing Stories:

Porch Swing Stories R. A. Moulds, 2000 *Porch Swing Stories* is a history of both a family and a community Drawn from the reminiscences of J T McPherson s elderly aunts these stories are set in Ringgold Mississippi a fictional town quickly fading into the past Here are collected stories of melodrama tragedy romance and even slapstick humor Together they paint a picture of a South that never was but should have been Grandpa's Porch Swing Stories Dennis Martin, The Man, 2014-07-10 Long before the written word men told stories Stories about home and family stories that taught life lessons stories that revealed the values and principles that were important in life Stories that have secrets mysterious secrets secrets that are only passed down from generation to generation when the time is right stories that change lives this was to be Grandpa Martin s legacy to me Grandpa s Porch Swing Stories is a collection of storyteller Dennis Dink Martin s most requested tall tales The Story Man has combined his Grandpa Martin s stories along with true life experiences of growing up in the country to weave together an adventure of folklore history and humor Martin s stories and adoptions have their setting in Blount County Alabama Some like Grandpa s stories have a lesson to be learned The Story Man carries you back in time back to the days of his youth back to the days of listening to Grandpa s stories and back to the days of going to his Grandma Massey s house for Sunday dinner His unique style carries you back to a time that no longer exists to a time when family values and principles were taught by example back to a time you wish your grandchildren could experience These stories will warm your heart and bring a smile to your face as author Dennis Dink Martin takes everyday events and turns them into stories which provoke tears chills and shudders enjoy the adventure Southern Stories from the Porch Swing Janet Morris Belvin, 2018-11 Time is the one thing I ve never had enough of Ever since I was a small child I ve been conscious of how quickly time passes and have wanted to slow it down somehow Of course I never found out how to do it but it s worried me nonetheless About the only way I have found to hold on to time is to write down my thoughts So I began keeping a journal when I was fourteen Of course I didn t call it a journal back then It was Dear Diary My mother subscribed to Ladies Home Journal and that January the magazine gave away a free mini datebook for the New Year Mama said I could have it so I began sporadically recording my thoughts and activities Some of the entries I now find laughable or embarrassing I was a middle school kid after all But that diary set me on a path of recording the events of my life that I have followed for many decades since then The paragraphs in this book grew out of that idea Story Stretchers for the Primary Grades Shirley C. Raines, Robert J. Canady, 1992 A collection of ideas for activities to use in conjunction with over 90 children s books

Stories from a Porch Swing Diane Write, 2016-09-21 If you long for a trip down memory lane when life seemed simpler and kinder this is the book for you Perhaps I m biased since the author and I are around the same age but I could clearly identify with her images of The Five and Dime the corner drugstore the lazy days of swinging and chatting on the front porch What I couldn t identify with but cherished in the telling was her relationship with her grandparents from snapping beans to

listening to the ticking of an old clock All my grandparents who lived in another state were either dead by the time I was born or died early in my childhood Diane White s carefully crafted account of her time spent with Grandma and Grandpa made me both long for what I d missed while also encouraging me to be the best Grandma I can be to my seven grandchildren Highly recommended read for all ages Eileen Hunkle Rife author Masquerade

Tales Of Grannies Chaitanya Srivastava, Tales of Grannies is a heartwarming compilation of testimonies from 27 numerous authors each sharing unique and cherished recollections in their grandmothers From humorous anecdotes to poignant training passed down via generations those memories weave a rich tapestry of love expertise and own family traditions Each story offers a glimpse into the lives of grandmothers from exceptional cultures and backgrounds celebrating their enduring impact on their households and the valuable life lessons they communicate This book is a touching tribute to the warm temperature resilience and timeless knowledge of grandmothers everywhere

There Is a Place Where We Meet Purcell Mark Purcell, Mark Purcell, 2009-10 After over 25 years of working with people and attempting to help them as a psychotherapist trainer and teacher I have not only walked through the joys and struggles of my own life experiences and those of family and friends but I have had the benefits and privilege of learning and living vicariously while listening to untold hours with literally thousands of clients during their own struggling and searching I have been encouraged by and privileged to watch the healing growth and transcendence from life s struggles of thousands of people and I have felt pain and sadness in witnessing the deterioration resistance and self destruction of countless others I have come to believe that the primary determining factor of whether one experiences transcendence or deterioration is a determined willingness to go through the struggles and to develop an attitude that looks courageously into the eye of the storm and says assuredly You will not break me These poems are captured moments of my own experiences and reflections on the journeys of others as we have separately and together enjoyed the sunrises and sunsets while sometimes weathering the storms in between May these poems help you better understand yourself and your fellow travelers and no matter how difficult or deep your own abyss of darkness may you always find Hope

THE RHYTHM OF LIFE Today could not have been Without yesterday s haunting wind Blowing by and changing my life Stirring up realities and other sundry strife The happenings of this hour Would rightfully have no power Without the joys and pains of past Shaping and creating me at last Had even one conversation been altered Or one person or event faltered This moment in which I now breathe Would not now be as is conceived There is a Great Choreographer somewhere someplace Who orchestrates my moves and your every pace Matching our steps in infinite perfect time Then this dance once confusing starts to rhyme
