The Pornographer Diaries Danny King, 2004 The sexiest job in the world **The Pornographer Diaries** Danny King, 2012 **The Henchmen's Book Club** Danny King, 2011 Mark Jones is a henchman for hire He guards bunkers patrols perimeters and stands around in a boiler suit waiting to get knocked out by Ninjas This is his job He has worked for some of the most notorious super villains the world has ever known Doctor Thalassocrat Victor Soliman Polonius Crump Mark was with each of them when they met their makers at the hands of British Secret Service super spy Jack Tempest and lived to tell the tale if not pay the bills Still for every hour under gunfire there are weeks and months of sitting around on monorails so Jones starts a book club with his fellow henchmen It was only meant to pass the time It was never meant to save the world From the bestselling author of *The Burglar Diaries* and the movie *Wild Bill* *The Look of Love* Paul Willetts, 2013-04-04 For almost forty years Paul Raymond was one Britain's most scandalous celebrities Best known as the owner of the world famous Raymond Revuebar he was a successful theatre impresario property magnate and porn baron With his pencil moustache gold jewellery and taste for showgirls Raymond was both the brash personification of nouveau riche vulgarity and exemplar of the entrepreneurial spirit that enabled a poor boy from Liverpool to become Britain's richest man Like 24 Hour Party People we want to capture the life of an extraordinary man living in extraordinary times Steve Coogan **Porn After Porn** Aa. Vv., 2014-12-19T00:00:00+01:00 After the digital turn expansion of sexual representations has taken shape quantitatively thanks to the multiplication of production and distribution channels and qualitatively giving rise to a plurality of new representational forms In this context several social groups including women and non normative sexual subcultures have obtained full citizenship rights within the pornosphere moving beyond their traditional marginalization or indeed exclusion These nonconventional pornographies exist in a dialectical relationship with mainstream production in so far as they are at the same time a development and a repudiation of the latter on an aesthetic economic and political level This volume investigates the emergences of alternative pornographies highlighting their discursive heterogeneity their cultural status and connections to identities and non normative practices and their role in redefining the very idea of pornography The publication maps the main areas relating to alternative pornographies such as alt porn queer pornography indie porn post porn feminist pornography and amateur porn With a foreword by Feona Attwood *At Home with Pornography* Jane Juffer, 1998-07-01 Twenty five years after the start of the feminist sex wars pornography remains a flashpoint issue with feminists locked in a familiar argument Are women victims or agents In *At Home with Pornography* Jane Juffer exposes the fruitlessness of this debate and suggests that it has prevented us from realizing women's changing relationship to erotica and porn Over the course of these same twenty five years there has been a proliferation of sexually explicit materials geared toward women made available in increasingly mainstream venues In asking what is the relationship of women to pornography Juffer maintains that we need to stop obsessing over pornography's transgressive aspects and start focusing on

the place of porn and erotica in women's everyday lives Where she asks do women routinely find it for how much and how is it circulated and consumed within the home How is this circulation and consumption shaped by the different marketing categories that attempt to distinguish erotica from porn such as women's literary erotica and sexual self help videos for couples At Home with Pornography responds to these questions by viewing women's erotica within the context of governmental regulation that attempts to counterpose a dangerous pornography with the sanctity of the home Juffer explores how women's consumption of erotica and porn for their own pleasure can be empowering while still acting to reinforce conservative ideals She shows how for instance the Victoria's Secret catalog is able to function as a kind of pornography whose circulation is facilitated both by its reliance on Victorian themes of secrecy and privacy and on its appeals to the selfish pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the varying degrees to which these materials have been domesticated for home consumption Representing the next generation of scholarship on pornography At Home with Pornography will transform our understanding of women's everyday sexuality *Feminisms* Anna Backman Rogers, Laura Mulvey, 2025-10-01 This collection brings together an exciting group of established and emerging scholars to consider the history of feminist film theory and new developments in the field and in film culture itself Opening the field up to urgent questions and covering such topics as new experimental film the digital image consumerism activism and pornography *Feminisms* will be essential reading for scholars of both film and feminism

Attorney General's Commission on Pornography United States. Attorney General's Commission on Pornography, 1986 *Pornography* Peter Lehman, 2006 Brings critical insights to the reality of porn and what it can tell us about ourselves sexually culturally and economically Divided into two sections this book covers important debates on the topic and traces the evolution of pornographic film including comparing its development to that of Hollywood cinema

Beyond Speech Mari Mikkola, 2017-03-01 This collection contains eleven new papers on pornography from an analytic feminist perspective Despite a rich literature on pornography deep disagreements about central questions tend still to define the corpus This collection aims to clarify key feminist philosophical commitments pertaining to pornography and to surpass prevalent analyses by highlighting novel topics in feminist pornography debates
