Webber,Rodney Clapp,2001-02-06 In this provocative book a prominent theologian and a leading Christian editor speak to all Christians who have grown mistrustful of the church's involvement in religio political power plays and are seeking the way home Robert E Webber and Rodney Clapp examine the dilemma so many Christians face what to do if you are an enthusiast for neither the New Right nor the Old Left but still take seriously the church's social and political responsibility People of the Truth offers a biblical solution to this perplexing question The authors show how American Christians have come to depend on the nation rather than the church as their primary instrument of social change and communal influence They call for the church to move beyond the dead end of civil religion to affirm the authentic role of the worshipping community in effecting social change The church should dare to lay down its life the authors write to give up its ill begotten political leverage to turn aside from success and stop counting heads or dollars to stand at the side of forgotten poor and oppressed to be a sign and a witness of humanity's insufficiency and God's all sufficiency Drawing upon the works of many esteemed theologians and historians the authors trace the growth of Christianity and offer a fresh approach to the history of the church in the world They reveal how the church's identity and vision have become confused how they can be recovered and how Christians by living out their distinctive story as a worshipping community can heal society's ills People of the Truth provides concrete examples of how the church by realigning itself with its Christ centered mandate can effectively respond to such urgent problems as poverty drug abuse violence
