Pornography Of Representation The:

The Pornography of Representation Susanne Kappeler, 2013-05-03 This book marks a radical and powerful intervention in traditional arguments about pornography Kappeler re-examines the artistic distinctions between fantasy and reality pornography and erotica and challenges the legal definition of obscenity as well as the intellectual defence of freedom of expression By linking images of actual violence with the imaginative portrayal of women in the realm of the aesthetic she establishes vital connections between modes of representation and social forms of power and domination It is essential reading for anyone concerned with issues of pornography and sexual politics and related debates in literary criticism and cultural studies

Pornography and Sexual Representation Joseph W. Slade, 2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America

The Social Science Encyclopedia

Adam Kuper, 1996 This reference has been written by an international team of contributors presenting a global understanding of the key issues within social sciences A board of advisory editors has worked closely with the editors in determining the most important concepts thinkers and techniques in each field

Women's Studies Stevi Jackson, 1993-05 A comprehensive selection of over 140 writings on women's studies representing a diverse set of current feminist thinkers Women's Studies Essential Readings provides a wide range of readers with an entirely comprehensive selection of over 140 readings on women's studies representing the entire diversity of current feminist thinking The book is divided into fourteen sections that reflect primary topics within women's studies covering theory and perspectives including feminist social theory psychological and psychoanalytic theory cross cultural perspectives and historical perspectives as well as themes such as education and work marriage and motherhood sexuality the law crime and deviance politics and the state science medicine and reproductive technology language and gender feminist literary criticism and the media tool Features Introductions to each section provide an overview of the main issues and debates Commentaries on each extract locate the work of individual authors within wider debates and identify the perspective from which they are writing Each section contains a guide to further reading

Pornography Peter Lehman, 2006 Brings critical insights to the reality of porn and what it can tell us about ourselves sexually culturally and economically Divided into two sections this book covers important debates on the topic and traces the evolution of pornographic film including comparing its development to that of Hollywood cinema

Pornography Embodied Joan Mason-Grant, 2004-03-12 What does it mean to re-conceptualize pornography as a material practice rather than as speech Sidestepping the legal debates over their civil ordinance and drawing on phenomenology of the lived body Mason Grant returns to the innovative core of the Dworkin MacKinnon critique of mainstream pornography She develops a practice paradigm that captures and extends their insights showing how the use of mass market heterosexual pornography contributes to the cultivation of troubling forms of sexual know how

Sexing the Look in Popular Visual Culture Kathy Justice Gentile, 2020-05-15 With dramatic advances in media technology the practice of sexing or erotically

enhancing images has become an increasingly widespread phenomenon The eroticized look as both noun and verb the thing or image that draws our look and the look that we bestow on images that elicit our visual physiological and emotional attention is the focus of the essays in this volume Every day whether we are out in the world or in the workplace or in the privacy of our homes we enter visual fields that heighten and distort reality distortions that often emphasize sexuality and erotic promise The contributors for this collection look at the sexualization of visual culture from a range of disciplinary perspectives including literature film studies history philosophy art history and media studies with gender and sexuality studies providing the encompassing critical framework that binds these essays into a coherent analytical project The essays in this collection offer new theoretical conceptions of perception and representation as well as rigorous reconsiderations of the polarized feminist debates over pornographic images Essays on literature and film range from an interrogation of Baudrillard's theory of seduction that posits femininity as a strategy of illusion and subversion to Bridget Jones's challenge to the prevailing disciplinary regime that prescribes rigid standards for feminine beauty to a reevaluation of the subversive potential of sexy female robots Other contributors consider the history of nudist images in US periodicals the proliferation of eroticized images of girls in new digital technologies gentlemanly masculinity in men's fashion in late Victorian England and a rape prevention campaign's unintentional reinforcement of persistent heterosexist misconceptions about rape

Postfeminisms Ann Brooks, 2002-09-11 Once seen as synonymous with anti feminism postfeminism is now understood as the theoretical meeting ground between feminism and anti foundationalist movements such as postmodernism post structuralism and post colonialism In this clear exposition of some of the major debates theorists and practitioners Ann Brooks shows how feminism is being redefined for the twenty first century Individual chapters look at postfeminism in relation to feminist epistemology Foucault psychoanalytic theory and semiology postmodernism and postcolonialism cultural politics popular culture film and media and sexuality and identity For all students looking for guidance through the sometimes murky waters of contemporary feminist theory this book will provide a reassuring first port of call Snuff Neil Jackson, Shaun Kimber, Johnny Walker, Thomas Joseph Watson, 2016-01-28 Brings together scholars from film and media studies for the definitive academic study of real death on screen from horror cinema to pornography to online shock videos

Men, Masculinities and Social Theory (RLE Social Theory) Jeff Hearn, D.H.J. Morgan, 2014-08-13 This volume presents a series of illustrative and critical perspectives upon the developing study of men and masculinities and its importance for sociological theory The contributions by women and men from Britain and the United States are organized around the unifying themes of Power and Domination Sexuality Identity and Perception Feminism has raised profound questions for the social sciences for sociological theory and for the study of men The contributors to this volume discuss how such questions can be addressed They demonstrate the range of theoretical traditions that can be brought to bear on the study of men and underline the importance of understanding masculinities in the plural In a concluding section three different views upon the
