

Port Hudson Confederate Bastion on the Mississippi

LAWRENCE LEE HEWITT

Port Hudson Confederate Bastion On The Mississippi

David J. Eicher

Port Hudson Confederate Bastion On The Mississippi:

Port Hudson, Confederate Bastion on the Mississippi Lawrence Lee Hewitt, 1994-09-01 Although the evidence of the site has nearly vanished Port Hudson Louisiana holds a distinct place in Civil War History Located just north of Baton Rouge the village was the last Confederate stronghold on the Mississippi River and the site of the longest genuine siege in American military history In Port Hudson Confederate Bastion on the Mississippi Lawrence Hewitt offers a compelling account of the Confederate occupation of Port Hudson in August 1862 and the Union's efforts to capture the stronghold culminating in a final unsuccessful assault in May 1863 Throughout his study Hewitt offers a colorful narrative account of daily life in the garrison the commanders strategies and the importance of Port Hudson to the war Wanting to strengthen their hold on Vicksburg the Confederates began constructing earthworks for a battery at Port Hudson in early April 1862 By late summer the first troops began arriving for duty As these soldiers fortified the bluff they sought to avoid drawing fire from Union naval vessels already present in the area Throughout their occupation of Port Hudson the Confederate troops were able to hold their position tenaciously fighting off Federal efforts to block supply ships by controlling the mouth of the Red River The Union's failure to starve out the Confederates eventually led them to launch a direct assault on Port Hudson This attack was unsuccessful and was followed by an equally disastrous siege Consequently Port Hudson did not surrender until after the capitulation of Vicksburg in 1863 Hewitt also discusses a unique outcome of this period of the war the increased enlistment of black soldiers in northern units According to the author the newspaper coverage of the charge by black troops at Port Hudson proved to be vital in convincing the northern masses to accept the enlistment of nearly 180 000 black soldiers in the army before the end of the war Port Hudson will generate renewed interest in and discussion of an important period in Civil War history among scholars and Civil War buffs alike

Port Hudson, Confederate Bastion on the Mississippi

Lawrence L. Hewitt, 1994 Port Hudson Lawrence Lee Hewitt, 2024-01-12 In 1978 Lawrence Lee Hewitt became the first manager of the Port Hudson State Historic Site There he began collecting photographs related to the Civil War battle Carefully analyzing a vast and remarkable photographic record of Port Hudson Hewitt has now brought his four decades of research and collecting together in this book The quantity diversity and in some cases uniqueness of these photos help widen our perspective not only on Port Hudson and the Civil War's impact on its people and environment but also on the history of photography Together the six cameramen claimed many firsts including the first ever photograph of soldiers engaged in battle first exterior shots at night and first composition print The collection arranged chronologically allows readers to follow the changes in the landscape during and after the siege The sheer range of subjects represented is impressive A cotton gin a grist mill and a Methodist church all showing signs of damage caught the eyes of photographers At the request of a Union soldier's mother there was a photograph taken of his burial site There is even the only known photograph of a Confederate army surrendering Biographies of the photographers and the captions in this volume also brim with fresh information about

both the photographs and the campaign attesting to the author's meticulous scholarship and skilled analysis. Though Port Hudson may never receive the level of attention of Gettysburg or Vicksburg, this well conceived collection of photographs will make those with a serious interest in the conflict or photography not only reexamine Port Hudson but also the importance of the Civil War's photographic record.

A Wisconsin Yankee in Confederate Bayou Country Halbert Eleazer

Paine, 2009-05 General Halbert Eleazer Paine, commanding officer of the 4th Wisconsin Regiment of Volunteers, took part in most of the significant military actions in the lower Mississippi Valley during the Civil War. Nearly forty years after the conflict's end, Paine, a former schoolteacher and attorney who would become a three-term congressman, penned recollections of his wartime exploits, including his involvement in the Vicksburg campaign, the operations that resulted in the capture of New Orleans, the Battle of Baton Rouge, the Bayou Teche offensive, and the siege of Port Hudson. Now available for the first time, *A Wisconsin Yankee in Confederate Bayou Country* provides Paine's reflections and offers his excellent eyewitness account of the complexities of war. Paine describes in detail the antiguerrilla operations he coordinated in southern Louisiana and Mississippi and his role in the defense of Washington, D.C., where he commanded a portion of the line during Confederate General Jubal Early's 1864 movement against the city. His experiences shed light on the daily struggle of the common soldier and on the political and legal debates that dominated the times. In one striking episode, he describes his arrest for refusing to return to their masters, fugitive slaves who entered his lines. He discusses the occupation of New Orleans and the relations between Federal soldiers and local slaves and provides definitive commentary on dramatic incidents such as the burning of Baton Rouge and the destruction of the ironclad ram *C.S.S. Arkansas*. A departure from most accounts by Union army veterans, Paine's story includes less celebration of the grand cause and greater analysis of the motives for his actions and their inherent contradictions. He sympathized with the many contrabands he encountered; for example, yet he callously dismissed a reliable servant for suggesting that the rebels fought well. Despite expressing kind feelings toward certain southern families, Paine all but condoned his troops' excessive looting of local homes and businesses, which he viewed as acceptable retribution for those who resisted Federal authority. After the war, Paine also served as commissioner of patents, championing innovations such as the introduction of typewriters into the Federal bureaucracy. With a useful introduction and annotations by noted historian Samuel C. Hyde Jr., *A Wisconsin Yankee in Confederate Bayou Country* reveals many of the subtle advantages enjoyed by the troops in blue as well as the attitudes that led to behavior that left a violent legacy for generations.

The Fight for the Yazoo, August 1862-July 1864 Myron J. Smith, Jr., 2014-01-10 Following the loss of the *C.S.S. Arkansas* in early August 1862, Union and Confederate eyes turned to the Yazoo River, which formed the developing northern flank for the South's fortress at Vicksburg, Mississippi. For much of the next year, Federal efforts to capture the citadel focused on possession of that stream. Huge battles and mighty expeditions were launched: Chickasaw Bayou, Yazoo Pass, Steele's Bayou, from that direction, but the city, guarded by stout defenses, swamps, and motivated defenders, could not be

turned Finally Union troops ran down the Mississippi and came up from the south and the river defenses and the bastion itself were taken from the east From July 1863 to August 1864 sporadic Confederate resistance necessitated continued Federal attention This book recounts the whole story Vicksburg 1863 Steven Nathaniel Dossman,2014-09-16 This book examines the Vicksburg campaign a critical turning point during the American Civil War from the perspective of Texans and the rest of the Trans Mississippi Confederacy Vicksburg 1863 The Deepest Wound provides a thorough exploration of this pivotal Civil War campaign that pays special attention to the role played by Trans Mississippi troops especially Texans and evaluates the many consequences of the campaign for Confederate states west of the Mississippi River The book covers the Vicksburg campaign from its beginnings in November 1862 to its final conclusion in July 1863 describing the significant contributions of individuals such as Edmund Kirby Smith John C Pemberton Joseph E Johnston and Ulysses S Grant and providing evaluations of conflicts such as the Battle of Big Black River Bridge the Battle and Siege of Jackson the Battle of Port Gibson and the Battle of Raymond The work also examines how dramatically the fall of Vicksburg affected the Confederate states west of the Mississippi River and documents the disastrous effect of this Confederate loss upon both civilian and soldier morale in the region **The Vicksburg Campaign, March 29-May 18, 1863** Steven E. Woodworth,Charles D. Grear,2013-10-08 Ulysses S Grant s ingenious campaign to capture the last Confederate stronghold on the Mississippi River was one of the most decisive events of the Civil War and one of the most storied military expeditions in American history The ultimate victory at Vicksburg effectively cut the Confederacy in two gave control of the river to Union forces and delivered a devastating blow from which the South never fully recovered Editors Steven E Woodworth and Charles D Grear have assembled essays by prominent and emerging scholars who contribute astute analysis of this famous campaign s most crucial elements and colorful personalities Encompassed in this first of five planned volumes on the Vicksburg campaign are examinations of the pivotal events that comprised the campaign s maneuver stage from March to May of 1863 The collection sheds new light on Grant s formidable intelligence network of former slaves Mississippi loyalists and Union spies his now legendary operations to deceive and confuse his Confederate counterparts and his maneuvers from the perspective of classic warfare Also presented are insightful accounts of Grant s contentious relationship with John A McClernand during the campaign interactions between hostile Confederate civilians and Union army troops and the planning behind such battles as Grierson s Raid Port Gibson Raymond Jackson Champion Hill and Big Black River Bridge *Freedom by the Sword* William A. Dobak,2011 From late 1862 to the spring of 1865 the federal government accepted more than 180 000 black men as soldiers something it had never done before on such a scale Known collectively as the United States Colored Troops and organized in segregated regiments led by white officers some of these soldiers guarded army posts along major rivers others fought Confederate raiders to protect Union supply trains and still others took part in major operations like the siege of Petersburg and the battle of Nashville After the war many of the black regiments garrisoned the former

Confederacy to enforce federal Reconstruction policy This book tells the story of these soldiers recruitment organization and service

The Civil War in Books David J. Eicher, 1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1/2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher's mammoth undertaking are indexed by author or editor and by title Gary Gallagher's foreword traces the development of Civil War bibliographies and declares that Eicher's annotation exceeds that of any previous comprehensive volume *The Civil War in Books* Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher's *The Civil War in Books* is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since *The Civil War Day by Day* will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs

Like Men of War Noah Andre Trudeau, 2023-08-25 Originally published in 1998 *Like Men of War* was a groundbreaking early study of Black troops in the Civil War that is still considered a major contribution to the literature on the United States Colored Troops USCT In this chronological operational history Trudeau covers every major engagement and a few minor ones that the USCT participated in By quoting generously from primary documents including Black soldiers letters Trudeau tells the combat history of African American troops in the Civil War largely through the voices of the soldiers themselves This fresh expanded second edition adds material on additional engagements and other aspects of Black soldiers experiences and features a new selection of photographs The updated bibliography is extensive providing a rich selection of source materials for further study and exploration *Like Men of War* is essential reading for anyone seeking a thorough understanding of the U S Civil War

The Enthralling World of E-book Books: A Comprehensive Guide Revealing the Pros of Kindle Books: A World of Ease and Flexibility E-book books, with their inherent portability and simplicity of access, have liberated readers from the limitations of physical books. Gone are the days of lugging cumbersome novels or carefully searching for specific titles in bookstores. E-book devices, stylish and portable, seamlessly store an wide library of books, allowing readers to immerse in their preferred reads whenever, anywhere. Whether traveling on a bustling train, relaxing on a sunny beach, or simply cozying up in bed, E-book books provide an unparalleled level of convenience. A Literary Universe Unfolded: Exploring the Wide Array of E-book Port Hudson Confederate Bastion On The Mississippi Port Hudson Confederate Bastion On The Mississippi The Kindle Store, a virtual treasure trove of literary gems, boasts an extensive collection of books spanning diverse genres, catering to every readers preference and choice. From captivating fiction and thought-provoking non-fiction to classic classics and modern bestsellers, the Kindle Shop offers an unparalleled abundance of titles to explore. Whether seeking escape through immersive tales of imagination and exploration, diving into the depths of past narratives, or expanding ones understanding with insightful works of science and philosophy, the E-book Store provides a gateway to a literary universe brimming with limitless possibilities. A Game-changing Force in the Literary Landscape: The Enduring Influence of E-book Books Port Hudson Confederate Bastion On The Mississippi The advent of Kindle books has undoubtedly reshaped the bookish landscape, introducing a paradigm shift in the way books are released, disseminated, and consumed. Traditional publishing houses have embraced the online revolution, adapting their approaches to accommodate the growing demand for e-books. This has led to a rise in the availability of Kindle titles, ensuring that readers have entry to a wide array of literary works at their fingertips. Moreover, E-book books have democratized access to literature, breaking down geographical barriers and offering readers worldwide with equal opportunities to engage with the written word. Regardless of their location or socioeconomic background, individuals can now immerse themselves in the intriguing world of literature, fostering a global community of readers. Conclusion: Embracing the Kindle Experience Port Hudson Confederate Bastion On The Mississippi Kindle books Port Hudson Confederate Bastion On The Mississippi, with their inherent convenience, versatility, and vast array of titles, have undoubtedly transformed the way we encounter literature. They offer readers the freedom to discover the boundless realm of written expression, anytime, everywhere. As we continue to navigate the ever-evolving online landscape, Kindle books stand as testament to the persistent power of storytelling, ensuring that the joy of reading remains accessible to all.
