The Community of the Weak Hans-Peter Geiser, 2013-03-28 Social postmodernism and systematic theology can be considered the new pair in some of the most creative discussions on the future of theological method on a global scale Both in the academy and in the public square as well as in the manifold local and pastoral moments of ministry and community social activism the social the postmodern and the theological intermingle in engaging and border crossing ways The Community of the Weak presents a new kind of jazzy fundamental theology with a postmodern touch using jazz as a metaphor writing ethnographically messy texts out of the personal windows of lived experiences combining fragments of autobiography with theological reconstruction A comparative perspective on North American and European developments in contemporary systematic theology serves as a hermeneutical horizon to juxtapose two continents in their very different contexts The author proposes a systematic and fundamental theology that is more jazzy global and narrative deeply embedded in pastoral ministry to tell its postmodern story

Finding Kluskap Jennifer Reid, 2013-07-16 The Mi kmaq of eastern Canada were among the first indigenous North Americans to encounter colonial Europeans As early as the mid sixteenth century they were trading with French fishers and by the mid seventeenth century large numbers of Mi kmaq had converted to Catholicism Mi kmaw Catholicism is perhaps best exemplified by the community s regard for the figure of Saint Anne the grandmother of Jesus Every year for a week coinciding with the saint s feast day of July 26 Mi kmaw peoples from communities throughout Quebec and eastern Canada gather on the small island of Potlotek off the coast of Nova Scotia It is however far from a conventional Catholic celebration In fact it expresses a complex relationship between the Mi kmaq Saint Anne a series of eighteenth century treaties and a cultural hero named Kluskap Finding Kluskap brings together years of historical research and learning among Mi kmaw

peoples on Cape Breton Island Nova Scotia The author s long term relationship with Mi kmaw friends and colleagues provides a unique vantage point for scholarship one shaped not only by personal relationships but also by the cultural intellectual and historical situations that inform postcolonial peoples The picture that emerges when Saint Anne Kluskap and the mission are considered in concert with one another is one of the sacred life as a site of adjudication for both the meaning and efficacy of religion and the impact of modern history on contemporary indigenous religion
