Portable World Bible:

The Portable World Bible Various, 1977-01-27 The Portable World Bible presents the fundamental tenets of the world's basic source religions. Contemporary readers are offered in concise authoritative translations the religious thought of the ages selected, interpreted and arranged in view of modern man's quest for ultimate truths and values. Robert O. Ballou, the volume's editor, has omitted mere stories, history and ceremonial detail; what remains in every case is the essence of religion set down with a clarity and simplicity never before achieved. The Portable World Bible is an unparalleled work of poetic and ethical inspiration, a book that makes a deep appeal to the mind and spirit. **The Portable World Bible** Robert O.

Ballou, 1944 **World Scriptures** Kenneth Kramer, 1986 World Scripture is a guidebook to the primary source materials of the classical living religions of the world. It is a guidebook which innovatively blends critical and interpretative tools with sacred symbols and stories of Ultimacy. **The Viking Portable World Bible** Robert Oleson Ballou, 1972 **The Viking**

Portable Library World Bible Robert Oleson Ballou, 1964 **The Insider** Gerald Howard, 2025-11-04 A delightful and majestic reckoning with the ascent of American fiction in the twentieth century through the prism of the under-known man who had an astonishing amount to do with it. Malcolm Cowley is not a household name today, but the American literary canon would look very different without him. A prototypical man of letters of his generation, Harvard University, a volunteer in the French ambulance corps in World War I, a rite of passage in Paris after the war, he became one of the few truly influential critics of the 1920s and 30s, along with his close New Republic colleague Edmund Wilson. Cowley's early support of Hemingway, Fitzgerald, and their set, and indeed for framing this group in generational terms in the first place, secured his place in literary history. Most people are lucky to be part of a single game-changing era in their careers; for Cowley, it happened again and again. After emerging from the political fray of the thirties, badly damaged, he retreated behind the scenes as a tastemaker whose import has awaited Gerald Howard to be brought into full view. The process of canon formation is a murky business, and Cowley was a prime mover in it for the better part of four decades, through the Lost Generation, the Beat Generation, and the counterculture of the sixties. Without him, the odds would be much longer that the names William Faulkner, Jack Kerouac, and Ken Kesey, to name just three, would have ever echoed. In *The Insider*, Gerald Howard gives an intimate accounting of the fever graph of a fascinating and multifaceted career in the literary trade that uses that career to tell a much bigger story of how American literature took the course that it did from the 1920s to the 1960s. It's a story of an art form and an industry and a country experiencing wrenching change and the people who made a home in the storm and in no small part shaped it. Howard's own career as a literary weathermaker is justly acclaimed, and he has brought all his talents of head and heart to bear in crafting this extraordinary book. It's a gift to booklovers and a major contribution to the cultural history of this country. *A Tapestry of Faiths* Winfried Corduan, 2009-06-01 Christians find themselves in an increasingly diverse world. The new place of worship in our neighborhood might just as likely be a Hindu temple or a Muslim mosque as a

church or a synagogue How should we view other world religions and more important how should we engage our religiously oriented neighbors in conversation Do all religions teach the same thing Or are there significant differences Do we try to minimize differences and just get along Or do we hold out the Christian faith as the one true hope for all the world Drawing on his wide experience and knowledge of other religions and how they are actually lived Winfried Corduan helps us sort through the complex tapestry of faiths around the globe He contends that there are common threads of understanding that can serve to link us in meaningful discussion From these common threads we can go on to explore genuine differences Through the course of the book Corduan leads readers to explore the important issues of revelation and truth morality and guilt grace and redemption eschatology and hope Ultimately Jesus Christ he argues stands unique among religious figures and Christianity unique among the world's religions This is a book that strengthens Christians in their convictions while encouraging them to engage their neighbors with humility love and discernment Basic Religious Books and Chaplains' Services Jewette Cowan, 1967 **Penguin Classics** Anonymous, 2012-01-31 A Complete Annotated Listing More than 1 500 titles in print Authoritative introductions and notes by leading academics and contemporary authors Up to date translations from award winning translators Readers guides and other resources available online Penguin Classics on air online radio programs Mysteries Revealed , Migs, 2023-02-09 This book is going to inspire generations to come It will wake us all up from all the deceit and lies colleges seminaries and churches have been teaching and give you sound doctrine in the times of the worst in history since the days of Noah and Lot Migs drains the swamp by showing us all how to rely on God's Words not the messengers and pastors who have taught doctrines of devils for centuries 80 percent truth with 20 percent imagination lies and allegories just won't cut it in these times of tribulation the church is going through now It's time to wake up ride out the storm and rise up mighty warriors Those who have ears let them hear and those who have eyes let them see In Daniel it is said there is a great awakening and a gathering and today's times in this book will set us straight This book is an in depth look at the Bible like you have never seen before It will show you how to read a Bible in context and illuminate the conjecture and controversy because the Bible never contradicts itself in the correct version There is coming a day in Amos 8 11 that says you will seek the Word but not find it With AI and quantum computers and all these Bible versions you are just about at that point Mysteries Revealed is something every Christian should embrace and with all readiness of mind search the Scriptures daily Read Acts 17 11 while you still have a chance Last call for alcohol BECAUSE the bar is closing LOL no last call for you to edify saints and see souls saved with TRUTH and be ye not ignorant my brethren
