

The "Portable" Plan

THE VIKING PORTABLE LIBRARY aims to offer representative one-volume editions of favorite modern and classic authors, and the best anthologies on special subjects, in uniform volumes thoughtfully designed for compactness and for ease in reading. Durable bound in cloth and stamped in genuine gold, the volumes average more than 700 pages, containing from two to four times as much text as most standard-size books. Each is newly edited by an authority distinguished in his field. The "Portables" are original publications in this form—not "cheap-edition reprints," but books for your permanent library.

THE PORTABLE RING LARDNER

EDITED BY *Gilbert Seldes*

IN LARDNER, as Mr. Seldes points out, we had our most effective instance of the popular writer who had genius. During his lifetime he was thoroughly enjoyed by a wide audience, most of which read him primarily for entertainment. Seeing the best of his work as gathered together in this volume, we now realize how major was his contribution to our literature. No writer in our day has rivaled his ear for the American language and the American rhythm. This is the way the ballplayers, theatrical managers, salesmen, policemen, bridge-players, nurses, prize fighters, suburbanites talked and felt and thought.

Here are the finest of his stories and columns and pieces, as sparkling and fresh as the day he wrote them, presented for the delectation of old admirers and a whole new generation of discoverers.
