

The Lower East Side

Immigrant Portal to America from 1875 to 1925

Prepared in cooperation with
The Jewish Museum, 1100 Fifth Avenue,
New York, New York 10028

Introductory statement from,
Portal to America: The Lower East Side 1870—1925
Edited by Alton Schoener. Published by
Holt, Rinehart and Winston (1967).

This is one of seven portfolios available. Others include:
The Erie Canal, Open Space in the Inner City, Farm Life
Today, Main Street, Neighbors on the Block,
Growing Up Black.

Suggestions for the use of this exhibit portfolio

This portfolio can be used to create an exhibit
in itself or, if you prefer, as the core of an
exhibit to which you can add press clippings,
pages from books, your own photographs,
statements, drawings, and photographs from
other portfolios in this series. You can mix and
match text and images from all of these and
other sources and arrange them into any
number of combinations.

Produced by the Visual Arts Program,
New York State Council on the Arts,
250 West 57th Street, New York, N.Y. 10019.

Complete series edited by Alton Schoener,
Visual Arts Program Director, New York State
Council on the Arts, 250 West 57th Street,
New York, N.Y. 10019.

The Remembered and Forgotten Jewish World Daniel J. Walkowitz, 2018-09-05 Part travelogue part social history and part family saga this book investigates the politics of heritage tourism and collective memory Acclaimed historian Daniel J Walkowitz visits key Jewish heritage sites from Berlin to Belgrade to Warsaw to New York to discover which stories of the Jewish experience get told and which get silenced

City of Promises Howard B. Rock, Deborah Dash Moore, Jeffrey S. Gurock, Annie Polland, Daniel Soyer, Diana L. Linden, 2012-09-10 Winner of the 2012 National Jewish Book Award presented by the National Jewish Book Council New York Jews so visible and integral to the culture economy and politics of America's greatest city has eluded the grasp of historians for decades Surprisingly no comprehensive history of New York Jews has ever been written City of Promises A History of the Jews of New York a three volume set of original research pioneers a path breaking interpretation of a Jewish urban community at once the largest in Jewish history and most important in the modern world Volume I Haven of Liberty by historian Howard B Rock chronicles the arrival of the first Jews to New York then New Amsterdam in 1654 and highlights their political and economic challenges Overcoming significant barriers colonial and republican Jews in New York laid the foundations for the development of a thriving community Volume II Emerging Metropolis written by Annie Polland and Daniel Soyer describes New York's transformation into a Jewish city Focusing on the urban Jewish built environment its tenements and banks synagogues and shops department stores and settlement houses it conveys the extraordinary complexity of Jewish immigrant society Volume III Jews in Gotham by historian Jeffrey S Gurock highlights neighborhood life as the city's distinctive feature New York retained its preeminence as the capital of American Jews because of deep roots in local worlds that supported vigorous political religious and economic diversity Each volume includes a visual essay by art historian Diana Linden interpreting aspects of life for New York's Jews from their arrival until today These illustrated sections many in color illuminate Jewish material culture and feature reproductions of early colonial portraits art architecture as well as everyday culture and community Overseen by noted scholar Deborah Dash Moore City of Promises offers the largest Jewish city in the world in the United States and in Jewish history its first comprehensive account

the world famous trilogy on the history of New York

An American Odyssey Mary Schmidt Campbell, 2018-08-06 By the time of his death in 1988 Romare Bearden was most widely celebrated for his large scale public murals and collages which were reproduced in such places as Time and Esquire to symbolize and evoke the black experience in America As Mary Schmidt Campbell shows us in this definitive defining and immersive biography the relationship between art and race was central to his life and work a constant driving creative tension Bearden started as a cartoonist during his college years but in the later 1930s turned to painting and became part of a community of artists supported by the WPA As his reputation grew

he perfected his skills studying the European masters and analyzing and breaking down their techniques finding new ways of applying them to the America he knew one in which the struggle for civil rights became all absorbing By the time of the March on Washington in 1963 he had begun to experiment with the Projections as he called his major collages in which he tried to capture the full spectrum of the black experience from the grind of daily life to broader visions and aspirations Campbell's book offers a full and vibrant account of Bearden's life his years in Harlem his studio was above the Apollo theater to his travels and commissions along with illuminating analysis of his work and artistic career Campbell who met Bearden in the 1970s was among the first to compile a catalogue of his works An American Odyssey goes far beyond that offering a living portrait of an artist and the impact he made upon the world he sought both to recreate and celebrate

The Heroic Gangster Neil Hanson, 2013-07-01 Monk Eastman was born in 1873 to a respectable New York family By the age of eighteen he was running the streets of Lower Manhattan first starting as a bouncer and later as a gang leader who led an army of two thousand He had both politicians and cops in his pocket and seemed untouchable That all changed when he was sentenced to ten years at Sing Sing prison after several battles with Pinkerton detectives He ended up losing all his territory and by the time he got out realized that the streets were no longer safe enough for him to be around With that he immediately joined the New York National Guard going from a street kingpin to a lowly private Taking what he learned from the streets Monk quickly proved himself as his division was put on the front lines during the trench warfare of World War I He came back to New York a hero and was given a governor's pardon He was back on top but the real question was would he be able to leave his past behind This incredible story told by Neil Hanson relives for the reader the history of Monk Eastman New York and a pivotal point in our country's history *The Jews of Harlem* Jeffrey S Gurock, 2016-02-16 This well written volume makes clear that the Harlem Jewish community significantly influenced American Jewry as a whole a must read Publishers Weekly During World War I Harlem was home to the second largest Jewish community in America But in the 1920s Jewish residents began to scatter to other parts of Manhattan to the outer boroughs and to other cities Now nearly a century later Jews are returning uptown to a gentrified Harlem The Jews of Harlem follows Jews into out of and back into this renowned metropolitan neighborhood over the course of a century and a half Jeffrey S Gurock analyzes the complex forces that brought generations of central European East European and Sephardic Jews to settle there He explains the dynamics that led Jews to exit Harlem and highlights the enduring Jewish presence that remained He then looks at the beginnings of Jewish return as part of the transformation of New York City in our present era The Jews of Harlem contributes much to our understanding of Jewish and African American history in the metropolis as it highlights the ever changing story of America's largest city Its contemporary story merits telling even as the memories of what Jewish Harlem once was warrants recall

Right here, we have countless books **Portal To America The Lower East Side** and collections to check out. We additionally present variant types and after that type of the books to browse. The normal book, fiction, history, novel, scientific research, as capably as various additional sorts of books are readily to hand here.
