Porter Images Of America Images Of America:

Images of America in Scandinavia Poul Houe, Sven Hakon Rossel, 1998 The subject of Images of America in Scandinavia the first comprehensive study of its kind is as multifaceted complex and overwhelming as America or the United States itself It concerns the nature and function reality and fiction of such images in Denmark Norway and Sweden past and present The book is intended to be a source of solid information as well as a starting point for further inquiries into its cultural territory Part of its focus is on images of America rooted in printed sources but in addition general surveys of other cultural signs of America in the Scandinavian countries present a broader picture and provide some of the background for the predominantly literary images Issues such as government and politics popular and vanguard music and art and socio cultural institutions intermittently come to the fore Framing the volume s three pairs of national surveys is an introductory chapter which addresses the entire subject from a bird s eye view and a concluding chapter which by contrast delves into the cross fire of sentiments defining people whose images of America are both American and Scandinavian The discussion of America as perceived in Scandinavia sheds new light on intriguing inter Scandinavian cultural distinctions and borderlines Countless books and articles methods and theories have been devoted to the study of national and cultural identity Still the exchanges between such identities and the images they engender so indispensable for the participants in a global culture remain clouded by many misconceptions Images of America in Scandinaviawhose editors and authors all have Scandinavian backgrounds will contribute an improved understanding of the cultural interplay between Scandinavia and the United States of America

Tall Ships on Puget Sound Chuck Fowler, Charles Roy Fowler, 2007 Tall sailing ships came to the Pacific Northwest beginning in the mid 1700s Met by native Salish people the ships brought Spanish British Russian and American explorers as well as settlers and entrepreneurs to the Puget Sound region Over the next two centuries during boom and bust periods these majestic vessels continued to ply the waters of Puget Sound Today the proud tall ships operate in a training and education rather than commercial context

Imagology Manfred Beller, Joseph Theodoor Leerssen, 2007 How do national stereotypes emerge To which extent are they determined by historical or ideological circumstances or else by cultural literary or discursive conventions This first inclusive critical compendium on national characterizations and national cultural or ethnic stereotypes contains 120 articles by 73 contributors Its three parts offer 1 a number of in depth survey articles on ethnic and national images in European literatures and cultures over many centuries 2 an encyclopedic survey of the stereotypes and characterizations traditionally ascribed to various ethnicities and nationalities and 3 a conspectus of relevant concepts in various cultural fields and scholarly disciplines The volume as a whole as well as each of the articles has extensive bibliographies for further critical reading Imagologyis intended both for students and for senior scholars facilitating not only a first acquaintance with the historical development typology and poetics of national stereotypes but also a deepening of our understanding and analytical perspective by interdisciplinary and comparative contextualization and
