A Thorny Path Georg Ebers,2020-11-20 A Thorny Path is a historical novel set in ancient Egypt portraying a tale of young girls Melissa daughter of Alexandrian gem cutter and artist Heron _x000D_ Above the huge stone edifice which was thus lighted up the dome of the Serapeum rose high into the air its summit appearing to touch the sky Never had the gigantic structure seemed so beautiful to the girl who had only seen it by daylight for under the illumination arranged by a master hand every line stood out more clearly than in the sunlight and in the presence of this wonderful sight Melissa's impressionable young soul forgot the trouble that had weighed on it and her heart beat higher Her lonely life with her father had hitherto fully satisfied her and she had never yet dreamed of anything better in the future than a quiet and modest existence caring for him and her brothers but now she thankfully experienced the pleasure of seeing for once something really grand and fine and rejoiced at having escaped for a while from the monotony of each day and hour Once too she had been with her brothers and Diodoros Alexander's greatest friend to see a wild beast fight followed by a combat of gladiators but she had come home frightened and sorrowful for what she had seen had horrified more than it had interested her And yet she had loved Diodoros from her childhood and she would have enjoyed sitting quietly by his side more than looking on at the show _x000D_ _x000D_ _x000D_

The Reality of the Unreal Judit Borbély,2005 In the nineteenth century the great cities underwent the most conspicuous transformation The beauties and the dark side of urban existence soon came to be one of the central issues in contemporary literature and art In The Reality of the Unreal the works of four great English writers of the time are analyzed with the focus on their representation of the city Through the concrete image of London and Paris around the turn of the century as well as through the metaphorical role of the city as a concept this book a new volume in the Philosophiae Doctores series provides differing views about the age as seen by H G Wells George Gissing Joseph Conrad and Henry James The book's analysis arrives at the complex image of civilization at the end of the nineteenth century

The Urban Fantastic in Nineteenth-Century European Literature Patricia García,2022-01-17 The Urban Fantastic in Nineteenth Century European Literature explores transnational perspectives of modern city life in Europe by engaging with the fantastic tropes and metaphors used by writers of short fiction Focusing on the literary city and literary representations of urban experience throughout the nineteenth century the works discussed incorporate supernatural occurrences in a European city and the supernatural of these stories stems from and belongs to the city The argument is structured around three primary themes Architectures Encounters and Rhythms make reference to three axes of

city life material space human encounters and movement This thematic approach highlights cultural continuities and thus supports the use of the label of urban fantastic within and across the European traditions studied here Double Exposures Eric Downing, 2000 Downing's highly original thorough and rewarding book is certain to emerge as an indispensable critical reference point for scholars and students in the areas of narrative theory problems of realism and 19th century German prose A nearly ideal combination of intellectual scope erudition and originality Thomas Pfau Duke University To write an engaging and entertaining study of German or poetic realism that offers insightful and differentiated readings of the novellas of Stifter Storm Keller C F Meyer and Raabe through the lenses focused on repetition of narratology Critical Theory and psychoanalysis and to a lesser extent gender studies is without a doubt a daunting endeavor This study with its keen analysis of the doubling within German realist texts is equal to the task While this book is written to engage and challenge scholars of realism the clarity of Downing's prose makes the textual twists and turns and thus the study as a whole equally accessible to non specialists German Studies Review

A Year At Highclere The Countess of Carnarvon, 2025-09-04 Join Lady Carnarvon as she exclusively reveals into the daily rhythms seasonal changes and timeless traditions of one of Britain's most iconic stately homes Built in a bygone era Highclere Castle and its surrounding five thousand acre estate is a place steeped in history both within its walls and verdant landscapes From the grandeur of Victorian architecture to the whispers of Anglo Saxon roots the estate's sweeping ground encapsulate a rich British heritage Lady Carnarvon shares tales of past residents from Lady Almina's legendary 1920s parties to the enigmatic ghosts that roam the halls of the castle With the passing months and seasons Lady Carnarvon reveals what it truly means to live and work in this extraordinary home From gardening entertaining exploring the outdoors with their eight dogs to opening the gates to a film crew for many weeks and seasons culminating in the latest Downton Abbey film Highclere is where history royalty nature and community weave together enchanting its residents staff and guests
