depiction of John F Kennedy Many of the featured portraits reveal much about the sitter such as the intimate rendering of an informal George W Bush by Robert Anderson and the fanciful mosaic like Chuck Close image of Bill Clinton Some tell us more about the artist such as the likeness of Franklin Delano Roosevelt that Douglas Chandor planned to include in a larger work about peace that would commemorate Roosevelt s Yalta meeting with wartime Allied leaders Winston Churchill and Joseph Stalin Works in other media including sculptures and daguerreotypes round out the presidential collection Lively narratives accompany each piece exploring the president s background and biography as well as the work s artistic and historical significance Taken together the portraits are a powerful visual exploration of the history of the highest office in the land and the diverse men who have held it A Brush with History National Portrait Gallery (Smithsonian Institution),2001
