**Proverbial Philosophy ... Fifteenth edition. [With a portrait.]** Martin Farquhar Tupper, 1853 *Proverbial Philosophy ... Thirty-ninth edition. With a portrait* Martin Farquhar Tupper, 1866 *Hope Deferred* Peter Orner, Annie Holmes, 2015-10-01 The situation in Zimbabwe represents one of the worst humanitarian emergencies today This book asks the question How did a country with so much promise a stellar education system a growing middle class a sophisticated economic infrastructure a liberal constitution an independent judiciary and many of the trappings of Western democracy go so wrong In their own words Zimbabweans recount their experiences of losing their homes land livelihoods and families as a direct result of political violence They describe being tortured in detention firebombed at work or beaten up or raped to punish votes for the opposition Those forced to flee to neighboring countries recount their escapes cutting through fences swimming across crocodile infested rivers and entrusting themselves to human smugglers This book includes Zimbabweans of every age class and political conviction from farm laborers to academics doctors to artists opposition leaders to ordinary Zimbabweans men and women simply trying to survive as a once thriving nation heads for collapse **Nowhere to Be Home** Maggie Lemere, Zoe West, 2015-10-01 Decades of military oppression in Burma have led to the systematic destruction of thousands of ethnic minority villages a standing army with one of the world's highest number of child soldiers and the displacement of millions of people Nowhere to Be Home is an eye opening collection of oral histories exposing the realities of life under military rule In their own words men and women from Burma describe their lives in the country that Human Rights Watch has called the textbook example of a police state *We Are Afghan Women* Laura Bush, 2017-03-07 *We Are Afghan Women* chronicles the lives of young and old daughters and mothers educated and those who are still learning Their stories are a stark reminder that women's progress in society business and politics cannot be taken for granted Many of these women face serious risks for speaking so openly but they want the world to listen Their words will change not only how we as Americans see Afghanistan but also how we understand the complex challenges still facing women and girls around the globe *The Poetical Works of Thomas Moore, Etc. [With a Portrait.]* Thomas Moore, 1853 **Portraits of Courage, Voices of Hope, II** Jerry Robinov, 2004 **The Portrait in Fiction of the Romantic Period** Joe Bray, 2016-05-26 Beginning with the premise that the portrait was undergoing a shift in both form and function during the Romantic age Joe Bray examines how these changes are reflected in the fiction of writers such as Maria Edgeworth Jane Austen Sir Walter Scott Elizabeth Hamilton and Amelia Opie Bray considers portraiture in a broad sense as encompassing caricature and the miniature as well as the classic portraits of Sir Joshua Reynolds and others He argues that the portrait in fiction often functions not as a transparent index to character or as a means of producing a straightforward likeness but rather as a cue for misreading and a sign of the slipperiness and subjectivity of interpretation The book is concerned with more than simply the appearance of portraits in Romantic fiction however More broadly *The Portrait in Fiction of the Romantic Period* investigates how the

language of portraiture pervades the novel in this period and how the two art forms exert mutual stylistic influence on each other      *Champions Of Change* Year 7-9 students of Bangkok Patana School who participated in the 2025 Spoken Word Poetry Showcase Programme.,2025-06-26 The 2025 Bangkok Patana School Spoken Word Poetry Showcase celebrates the power of youth voices in driving positive change Under the theme Champions of Change Voices of Influence Inspiring Resilience and Hope students in Years 7 9 explore global issues such as climate action peace and reducing inequalities inspired by historical and contemporary changemakers Their poetry collections reflect personal connections to these figures and their character traits using words as a tool for advocacy resilience and global citizenship This anthology showcases the students poems for performance and their creative journeys honed through research collaboration and practice as they transform their ideas into compelling spoken word poetry that sparks action and inspires hope      **The Last Hope** Hugh Stowell Scott,1904
