Explained [in a Sermon on Matt. Xiii. 45, 46], Etc* Benjamin LORD, 1773 *English Ministry Crisis in Chinese Canadian Churches* Matthew Richard Sheldon Todd, 2015-03-26 In this book Dr Matthew Todd looks into the anecdotal reporting of high numbers of Canadian born Chinese leaving Western Canadian Chinese churches what is termed the silent exodus Some of the fastest growing Canadian churches are Chinese yet reportedly the highest dropout rates are among Chinese and Asian church adult ministries This book recommends solutions towards the retention of Canadian born Chinese adults in Chinese bicultural churches through empowerment To address retention the key factors that contribute to a silent exodus are established through qualitative research with participants of diverse church affiliations Todd examines various models and proposed solutions the Chinese church has used to retain its English speaking congregants and gives attention to a theological basis for being inclusive in mission initiatives and for empowerment through passing the leadership baton Todd makes some recommendations on the new wave of an emerging congregational model that requires negotiation with Chinese church leadership to give power away to English ministry leaders and congregations He anticipates that this will permit transformational leadership practices that contribute to shalom community transformation and lasting congregations Pursuing Missing Jade: Traces Tang Xiao, 2020-01-08 Firstly it was the crown prince and Tong Ming the sons and daughters of the current emperor's younger brother Prince Jin Isn't Thea the one who was taken away from Tangzhou a few days ago He really was a Feng Shui treasure land to hide a treasure I heard Her Majesty loved it very much As for the other woman although she did not know who she was she must have an extraordinary status since she was able to come to Tangzhou with those big figures Moreover judging from her elegant and pure complexion she was either the

daughter of an Imperial City official or the crown prince or one of his servants *Pursuing the Pearl* Ken Uyeda Fong,1999 Fong s revision of his previously released Insights for Growing Asian American Ministries examines the very latest trends and cultural realities in Asian American churches *A Christian from Egypt: Life Story of a Neurosurgeon Pursuing the Dreams for Quintuple Certifications* Rhamsis F. Ghaly,2015-01-23 A CHRISTIAN FROM EGYPT LIFE STORY RAMSIS F GHALY MD FACS This is my life story as a Coptic Christian born and raised in Egypt in an environment of limited opportunities and scarce resources especially for Christian minorities Seeking the promise opportunity I came to the United States nearly 30 years ago as a young man As I flew westward on the plane it did not occur to me that I would become a prominent neurosurgeon with a practice in one of the great cities of America Nor did I anticipate that I would ever be in a position to fight for save lives and fight for patients lives protecting them from the specter of financial greed permeates the health care industry This book chronicles my journey in America from my early struggles to get past closed doors to my current practice serving the mission set before me with uncompromising zeal and devotion Eventually I became a prominent American neurosurgeon among the only 4000 active nationwide and the only one nationally and internationally to achieve five board certifications in five acknowledged medical disciplines My story takes the reader through my first hand experiences through the eight health care systems and Chicagos history of neuroscience over the last three decades providing an in depth view of the medical practices in the surrounding suburban communities My book also includes the lessons that I have learned my personal views and patient testimonials What I have faced and seen since my plane landed in this country in 1984 is almost inexpressible It is my sincere wish that others may find hope and inspiration from my story as well as an understanding of the challenges that the healthcare industry faces today along with my own passion for excellence in neuroscience as I confront them I owe my success to God to my cherished parents my teachers my mentors and most importantly my beloved patients

Silent Exodus--Parents' Silent Suffering Matthew Richard Sheldon Todd,2025-05-08 The broad cultural phenomenon of youth dechuraching is often accompanied by stories of broken hearted parents The objective of this book is to consider ways immigrant parents are impacted by generational assimilation and dechuraching from ethno religious communities The original contribution of the book is in substantiating parents experience from a spectrum of impacts The author explores ways impact is intensified or minimized Are you looking to improve your understanding of the risks and opportunities of handing on the faith Have you been wrestling with the cultural assimilation of your children Have you wondered how a biblical and interdisciplinary framework might help parents understand and even avert dechuraching Are you looking for supportive approaches for parents experiencing generational disconnect and difficult parenting transitions The author discloses cultural myths that circulate on parenting and advocates improving support for parents struggling to spiritually launch their children This book provides strategies for encountering transitional family complications if a youth leaves the faith and church **The teacher's classified lesson-material. The four Gospels-combined narrative, by W.J. Deane,**

M.E.W. Johnson, C. Neil. (Comprehensive Scripture lesson scheme). William John Deane, 1894 **Crossing the Ethnic Divide** Kathleen Garces-Foley, 2007-02-22 While religious communities often stress the universal nature of their beliefs it remains true that people choose to worship alongside those they identify with most easily Multiethnic churches are rare in the United States but as American attitudes toward diversity change so too does the appeal of a church that offers diversity Joining such a community however is uncomfortable worshippers must literally cross the barriers of ethnic difference by entering the religious space of the ethnically other Through the story of one multiethnic congregation in Southern California Kathleen Garces Foley examines what it means to confront the challenges in forming a religious community across ethnic divisions and attracting a more varied membership **Lift Up Your Hearts** James A. Wallace, Robert P. Waznak, Guerric DeBona, 2004 This collection of homilies represents the efforts of three preachers to interpret the lives of a community of faith and lead them deeper into the liturgy and life It grows out of a vision of the homily as a scriptural interpretation of human existence which enables a community to recognize God's active presence to respond to that presence in faith through liturgical word and gesture and beyond the liturgical assembly through a life lived in conformity with the Gospel The first intent of Lift Up Your Hearts is to focus on homilies as acts of interpretation in which the preacher does not so much attempt to explain the Scriptures as to interpret the human situation through the Scriptures This book casts the homilist not so much as a teacher but as a mediator of meaning speaking words that help the community to know itself and to act as the People of God the Body of Christ and the dwelling place of the Holy Spirit In addition these homilies are intended to move the parishioners toward the act of Eucharist to giving praise and thanks here and now and then beyond the Church doors out into the world to take part in the mission of the Church Pastors priests deacons and anyone who preaches will find this collection of source material to be particularly useful in crafting homilies that are grounded in Holy Scripture and yet relevant and meaningful in today's world Also it is written for the churchgoer in search of a helpful reflection on the Sunday readings with the intent of connecting the biblical texts with life *Lessons from the parables* Ellen Catherine Tait, 1901 **A Review of Aquaculture Activities in the Pacific Islands Region** K. Roger Uwate, 1984 Pearl's Secret Neil Henry, 2002-09 Pearl's Secret is a remarkable autobiography and family story that combines elements of history investigative reporting and personal narrative in a riveting true to life mystery In it Neil Henry a black professor of journalism and former award winning correspondent for the Washington Post sets out to piece together the murky details of his family's past His search for the white branch of his family becomes a deeply personal odyssey one in which Henry deploys all of his journalistic skills to uncover the paper trail that leads to blood relations who have lived for more than a century on the opposite side of the color line At the same time Henry gives a powerful and vivid account of his black family's rise to success over the twentieth century Throughout the course of this gripping story the author reflects on the part that racism and racial ignorance have played in his daily life from his boyhood in largely white Seattle to his current

role as a parent and educator in California The contemporary debate over the significance of Thomas Jefferson's longtime romantic relationship with his slave Sally Hemings and recent DNA evidence that points to his role as the father of black descendants have revealed the importance and volatility of the issue of dual race legacies in American society As Henry uncovers the dramatic history of his great great grandfather a white English immigrant who fought as a Confederate officer in the Civil War found success during Reconstruction as a Louisiana plantation owner and enjoyed a long love affair with Henry's great great grandmother a freed black slave he grapples with an unsettling ambivalence about what he is trying to do His straightforward honest voice conveys both the pain and the exhilaration that his revelations bring him about himself his family and our society In the book's stunning climax the author finally meets his white kin hears their own remarkable story of survival in America and discovers a great deal about both the sting of racial prejudice as it is woven into the fabric of the nation and his own proud identity as a teacher father and black American

Mythical Beasts John F.
