Pursuit Of The Phoenix:

Pursuit of the Phoenix Jeffrey Hauser, 2003-11 Avery Bergman has somehow lived to be 150 years old and lies dying in a holler in rural West Virginia As his family awaits his passing and left alone for only a few minutes he amazingly vanishes into the winter night Meanwhile in New York four wealthy elderly men meet to play poker every Thursday They call themselves the December Club Days later Bergman reappears in a younger body As rumors of the miraculous transformation reach New York the ruthless men decide that this mysterious man holds the key to the fountain of youth With all the money and resources at their disposal they attempt to snare the man they nickname the Phoenix A cross country adventure unfolds as he attempts to elude the Club s detective Then finally with nowhere left to hide the Phoenix is forced to take a defiant stand against the aging millionaires

And By Fire Evie Hawtrey, 2022-05-10 Tempered by fire and separated by centuries two extraordinary female detectives track a pair of murderous geniuses who will burn the world for their art in this mystery perfect for fans of Sarah Penner and Dan Brown Nigella Parker Detective Inspector with the City Police has a deeply rooted fear of fire and a talent for solving deadly arson cases When a charred figure is found curled beside Sir Christopher Wren s Monument to the Great Fire of London Nigella is dragged into a case pitting her against a murderous artist creating sculptures using burnt flesh Nigella partners with Colm O Leary of Scotland Yard to track the arsonist across greater London The pair are more than colleagues they were lovers until O Leary made the mistake of uttering three little words Their past isn t the only buried history as they race to connect the dots between an antique nail pulled from a dead man s hands and a long forgotten architect dwarfed by the life s work of Sir Christopher Wren Wren one of London s most famous architects is everywhere the pair turn Digging into his legacy leads the DCIs into the coldest of cold cases a search for a bookseller gone missing during the Great Fire of London More than 350 years earlier while looking for their friend a second pair of detectives a lady in waiting to the Queen and a royal fireworks maker discovered foul play in the supposedly accidental destruction of St Paul s Cathedral but did that same devilry lead to murder And can these centuries old crimes help catch a modern day murderer As Nigella and O Leary rush to decode clues past and present London s killer artist sets his sights on a member of the investigative team as the subject of his next fiery masterpiece
