Storm Sheila Malsam, 2022-04-19 So often we think God doesn't hear us during our struggles when we cry out to Him Like many after praying and not getting a response I thought it was up to me to find the solutions and answers to struggles I encountered As a result of my ignorance I replaced God and His power with what I thought were answers that weren't the answers after all Growing through the Storm is a story of triumphs and lessons learned while trying to find solutions to unwanted circumstances during not one but two troubled marriages I share how I clung to attachments such as doubt fear worry self pity blame insecurity and unworthiness that kept me from receiving what God had in store for me I share how God revealed Himself to me through the storm and how He used my pain to grow me stronger wiser and more confident of His love which led me to an awakening in my spirit and a personal relationship with our Lord Unfortunately many of us are guilty of living the life that I used to live If that's you it doesn't have to be this way I invite you to take a journey with me by reading my story and trusting that you too can be made anew strengthened and blessed by turning to Jesus surrendering your all to Him and discovering His amazing grace and love He has for you Growing through the Storm includes points to ponder at the end of each chapter with thought provoking questions and comments including scripture and prayer for personal reflection I pray my story infuses your heart to put your hope in Jesus and His promises to believe With God all things are possible as promised in Matthew 19:26 NIV when asked according to His will in His name Be blessed and be a blessing **Thriving**

Through Life's Storms Nina Vera-Vida, 2013-02-15 Have you ever wondered if you'll have the strength to face and overcome all of your life's countless hardships Are you tired of being tired anxious and worried Does fulfillment seem like a farfetched dream If you see more of yourself than you like in these questions don't despair What could be a life changing experience awaits in Thriving through Life's Storms Nina Vera-Vida's escape from war torn Bosnia at seven was just the beginning of a life filled with hardships Nina endured dehumanizing deprivation and abuse as well as the loss of her sight to a brain tumor But what makes Nina a true survivor is that she never gave up She created a path to rise above it all to inspire others She developed coping mechanisms to minimize the pain and subsequent scars What she has since realized is that there are two types of barriers to happiness External hardships are often random caused by things people or circumstances beyond our control Internal hardships on the other hand are self-inflicted As we wrap ourselves in the veil of denial we obscure the hardship triggers making these internal hardships hard to detect If you are ready to face down your enemies both internal and external as Nina has a new life of fulfillment freedom and success can be yours The ascent won't always be effortless but it will be worth it We stop living when we give up when we let life's hardships make us feel helplessly stuck in the abyss of

CHOU B. L. PONTIUS,2014-05-02 I have always had a definitive love for ancient time periods I have written many short stories of long ago some became prize winners in high school I have a long history of love for Asian women I think they are very mysterious as well as loving and loyal that is why I had chosen ancient China before it was called anything as a backdrop for this story If you are really intent on knowing me then read my stories They tell a lot if not most things about me I didn t have the greatest childhood in the world but it was good to certain point I was left alone much of the time that is how I developed my love for the long ago I have always been a dreamer and can t see that changing any time soon Although I live in reality I have and active dream state I had found a way to combine the both to become my reality by incorporating them in my everyday life I find it fits me well I love movies of ancient times A few of my favorites are Ben Hur The Ten Commandments and the Passion of the Christ I haven t always been a man of deep Christian beliefs When I was young I have a few minor scrapes with others getting into fights but that changed when I was thirteen that was when I came to Christ and it has forever changed me Since then I have had very little trouble with anyone chasing to stay out of harms way until I am needed I do hope you find this story enlightening **Scales of Sun & Storm** Emily
