The Biography of a Work

Pushkins Egyptian Nights The Biography Of A Work

Alexandra Smith

Pushkins Egyptian Nights The Biography Of A Work:

Montaging Pushkin Alexandra Smith, 2006 Montaging Pushkin offers for the first time a coherent view of Pushkin s legacy to Russian twentieth century poetry giving many new insights Pushkin is shown to be a Russian forerunner of Baudelaire Furthermore it is argued that the rise of the Russian and European novel largely changed the ways Russian poets have looked at themselves and at poetic language that novelisation of poetry is detectable in the major works of poetry that engaged in a creative dialogue with Pushkin and that polyphonic lyric has been achieved Alexandra Smith locates significant examples of Pushkin's cinematographic cognition of reality suggesting that such dynamic descriptions of Petersburg helped create a highly original animated image of the city as comic apocalypse which followers of Pushkin appropriated very successfully even as far as the late twentieth century Montaging Pushkin will be of interest to all students of Russian poetry as well as specialists in literary theory European studies and the history of ideas Smith s thesis is both startling and original that Pushkin for all his Mozart like fluidity and perfection can be productively read as a poet of pain and violence His reflex was to respond to the totalizing authoritative public landscape of his era with an equally severe but specifically private individualizing disciplined set of demands on the Poet The recurring attention that later generations have paid toward those aspects of Pushkin's life and texts governed by the private right to resist or to initiate violence his duel his struggles with the bureaucracy his failed pursuit of service with honour suggest that this mythologeme is among the most productive in Pushkin s astonishing legacy CARYL EMERSON A Watson Armour III University Professor of Slavic Languages and Literatures Chair of the Slavic Department Professor of Comparative Literature at Princeton University Smith's innovative study offers a wonderful analysis of how cinematographic editing and polyphony are detected in Russian twentieth century poetry It views Pushkin as a reference obligee of contemporary urban poetry VERONIQUE LOSSKY Professor Emeritus of Russian Literature at the Universite de Paris Sorbonne IV Two Hundred Years of Pushkin, Volume II, 2021-11-01 Pushkin's status as the founding father of Russian literature owes much to his stylistic and linguistic innovations across a wide range of literary genres But equally important is the influence he exerted on his successors via his exploitation of myth in its widest sense His poetry prose and drama frequently draw upon myths of classical antiquity myths of modern European culture grand narratives such as the Don Juan legend and Dante's Inferno as well as uniquely Russian myths particularly those associated with St Petersburg and its founder Peter the Great It was through the elaboration of such myths that Russia attained to a

sense of both its cultural uniqueness and its inscription in the broader context of European culture The contributors to Alexander Pushkin Myth and Monument explore these myths from a variety of critical viewpoints and highlight the specific ways in which Pushkin uses myth among these his recurrent emphasis on the symbolism of monuments and statuary famously referred to by Roman Jakobson as Pushkin's sculptural myth Alexander Pushkin Myth and Monument is the second volume devoted to Pushkin published in the SSLP series the first being Pushkin's Secret Russian Writers Reread and Rewrite Pushkin A third volume Pushkin s Legacy will follow Alexander Pushkin's Little Tragedies Svetlana Evdokimova, 2003 Alexander Pushkin's four compact plays later known as The Little Tragedies were written at the height of the author's creative powers and their influence on many Russian and Western writers cannot be overestimated Yet Western readers are far more familiar with Pushkin s lyrics narrative poems and prose than with his drama The Little Tragedies have received few translations or scholarly examinations Setting out to redress this and to reclaim a cornerstone of Pushkin s work Evodokimova and her distinguished contributors offer the first thorough critical study of these plays They examine the historical roots and connective themes of the plays offer close readings and track the transformation of the works into other genres This volume includes a significant new translation by James Falen of the plays The Covetous Knight Mozart and Salieri The Stone Guest and A Feast in Time of Plague Pushkin and Romantic Fashion Monika Greenleaf, 1994 Pushkin and Romantic Fashion is about the interpenetration of culture and personality specifically Alexander I s Russian Empire a latecomer in post Napoleonic European history and Aleksandr Pushkin virtuoso improvisor yet prisoner of the Golden Age discourses that now bear his name It focuses on Pushkin's use of the Romantic fragment especially the link between the fragment and Romantic irony s fundamental and modern questioning of the sources and intentionality of language In the view of such irony s most eloquent formulator Friedrich Schlegel identity does not precede speech but is forged in each improvisational interaction with interlocutor or reader One finds out who one is by speaking and all utterances and texts stand in a fragmentary contingent relation to an accumulating life text Pushkin may actually come closest of all major European poets to realizing what Schlegel prescribed or diagnosed as the poetics of modernity not because of any direct links but because as common latecomers on the European cultural scene Russian and German writers shared a fascination with European fashions and an ironic talent for conflating or stepping outside them Thus Pushkin s kaleidoscopic explorations of fashionable European genres from Augustan erotic elegy to the archaic Greek lyric fragment from the Byronic Oriental poetic tale to Shakespearean chronicle drama from the modern society tale to the Walter Scott historical novel can be seen as ever more dramatic rewritings of and meditations on a previous life text This fragmentary and ironic self presentation has ensured that every generation of Pushkin readers no matter how gilded with cultural authority the poetbecame talked back The author is deeply concerned to embed Pushkin in a larger European context in a way critically consonant with the best in Western Romantic studies She locates Pushkin's penchant for fragmentary structures in a

European discourse of fragmentation reveali Discovering Sexuality in Dostoevsky Susanne Fusso, 2008-01-29 Most discussions of sexuality in the work of Dostoevsky have been framed in Freudian terms But Dostoevsky himself wrote about sexuality from a decidedly pre Freudian perspective By looking at the views of human sexual development that were available in Dostoevsky's time and that he an avid reader and observer of his own social context absorbed and reacted to Susanne Fusso gives us a new way of understanding a critical element in the writing of one of Russia's literary masters Beyond discovering Dostoevsky's own views and representations of sexuality as a reflection of his culture and his time Fusso also explores his artistic treatment of how children and adolescents discover sexuality as part of their growth Some of the topics Fusso considers are Dostoevsky's search for an appropriate artistic language for sexuality a young narrator's experimentation with homoerotic desire and unconventional narrative in A Raw Youth and Dostoevsky's approach to a young man's sexual development in A Raw Youth and The Brothers Karamazov She also explores his complex treatment of a child's secret sexuality in his account of the Kroneberg child abuse case in A Writer's Diary and his conception of the ideal family a type of family that appears in his works mainly by negative example Focusing mainly on sexual practices considered deviant in Dostoevsky's time both because these are the practices that his young characters confront and because they offer the most intriguing interpretive problems Fusso decodes the author's texts and their social contexts In doing so she highlights one thread in the intricate thematic weave of Dostoevsky's novels and newly illuminates his artistic process David M. Bethea, 1993 Since the nineteenth century the great Russian writer Alexander Pushkin has been a cultural myth a figure absolutely central to Russian culture even to Russianness itself In this volume distinguished American Slavists address Pushkin's writings from a multiplicity of contemporary literary perspectives and investigate some of the most puzzling issues in the poet s life and work **Taboo Pushkin** Alyssa Dinega Gillespie, 2012-07-24 Since his death in 1837 Alexander Pushkin often called the father of Russian literature has become a timeless embodiment of Russian national identity adopted for diverse ideological purposes and reinvented anew as a cultural icon in each historical era tsarist Soviet and post Soviet His elevation to mythic status however has led to the celebration of some of his writings and the shunning of others Throughout the history of Pushkin studies certain topics texts and interpretations have remained officially off limits in Russia taboos as prevalent in today s Russia as ever before The essays in this bold and authoritative volume use new approaches overlooked archival materials and fresh interpretations to investigate aspects of Pushkin's biography and artistic legacy that have previously been suppressed or neglected Taken together the contributors strive to create a more fully realized Pushkin and demonstrate how potent a challenge the unofficial taboo alternative Pushkin has proven to be across the centuries for the Russian literary and political establishments Two Hundred Years of Pushkin, Volume III, 2021-11-01 Pushkin's status as Russia's national poet rests as much on the breadth of his cultural influence as on the intrinsic quality of his works Pushkin's Legacy reflects in various ways the areas in which this influence has been felt Part I considers some of the key

factors in defining Pushkin for posterity in particular the crucial role played by the critic Belinskii and the problematics of periodising Pushkin Part II examines the richness of Pushkin's poetics including the ways in which his work challenged the established boundaries between poetry and prose Part III examines Russian music s debt to Pushkin and vice versa Russian music s role in popularising his works Part IV examines Pushkin s influence abroad via studies of his influence on M rim e and Henry James and on a more personal level through his descendants in England Pushkin's Legacy offers a variety of approaches to Pushkin and his oeuvre and to the nature of his complex impact on Russian and European culture Pushkin s Legacy is the third volume devoted to Pushkin to be published in the SSLP series under the general title Two Hundred Years of Pushkin It follows volume I Pushkin s Secret Russian Writers Reread and Rewrite Pushkin and volume II Alexander Pushkin Myth and Monument That Third Guy Sigizmund Krzhizhanovsky, 2018-08-07 Part I Krzhizhanovsky on theater Part II That third guy Part III Krzhizhanovsky on Shaw and Shakespeare Part IV Krzhizhanovsky on Pushkin Guide to Russian Literature Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public A Bibliography of Alexander Pushkin in English ,1999 A Bibliography of Anton Chekhov in English Studies Translations Reviews and Notes is offered in three appropriate parts Part One Studies comprises sections for book length bio literary studies and bio literary articles introductions comparative studies Russian and foreign memoirs popular studies general and individual studies of Chekhov's plays and short stories studies of his non fiction letters notes and diaries and special categories film language and stylistics documents and documentation translation studies dissertations bibliography and collections Part Two Translations is divided into general collections drama collections individual dramas story collections individual stories non fiction letters notes and diaries and film Part Three Critical Reviews provides a comprehensive selection of the most significant reviews in major English language newspapers and journals through the year 1993 It is not possible to provide a comprehensive selection of an estimated 350 000 reviews of Chekhov plays 1994 2003 but an attempt has been made to provide a representative sampling of reviews in major newspapers and current periodicals Citations throughout this Bibliography are full and unabbreviated the intent being to provide access to each work in every appropriate category without complicating the search process with confusing cross listings Entries for collections are accompanied by listings of contents in the order given in tables of contents or alphabetically Entries for collections provide a base for subsequent listings of individual major works for addition of subsequent editions reprints and re publications Translations of plays are categorized by their most commonly known English titles and cited within categories by the English title given for a particular translation English titles of stories have not been rationalized in this way because the large number of Chekhov's stories would require division of the section on individual stories into virtually hundreds of sub sections Instead stories are listed in alphabetical order by the various English titles

Two Hundred Years of Pushkin Joe Andrew, Robert Reid, 2003 Pushkin s status as Russia given for a particular translation s national poet rests as much on the breadth of his cultural influence as on the intrinsic quality of his works Pushkin s Legacy reflects in various ways the areas in which this influence has been felt Part I considers some of the key factors in defining Pushkin for posterity in particular the crucial role played by the critic Belinskii and the problematics of periodising Pushkin Part II examines the richness of Pushkin's poetics including the ways in which his work challenged the established boundaries between poetry and prose Part III examines Russian music s debt to Pushkin and vice versa Russian music s role in popularising his works Part IV examines Pushkin's influence abroad via studies of his influence on Merimee and Henry James and on a more personal level through his descendants in England Alexander Pushkin Aleksandr Sergeevich Pushkin, Paul Debreczeny, Walter W. Arndt, 1983 Alexander Pushkin 1799 1837 is best known for his great achievments in poetry but the fixtion he wrote in the last decade of his life was to have a tremendous impact on the subsequent development of Russian prose influencing such later writers as Gogol Dostoevsky and Tolstoy This is a new translation of all his prose fiction from his famous story The Queen of Spades down to unfinished stories and fragments that appear in English for the first time Pushkin s non fictional A History of Pugachev also translated into English for the first time is included because it furnished the historical background of his novel The Captain's Daughter The translator has taken care to achieve a balance between faithfulness to the original and readability in English and several Russian editions have been collated to establish an accurate text The translations are annotated to place each work in its historical context and to eluvidate passages not easily understandable to today s reader Appendixes present a chapter that Pushkin deleted from The Captain s Daughter fictional fragments Pushkin's outlines of projected works and the apocryphal novella The Lonely Cottage on Vasilev Island **Reception of Cleopatra in the Age of Mass Media** Gregory N. Daugherty, 2022-10-06 This study examines the reception of Cleopatra from the beginning of the 20th century to the present day as it has been reflected in popular culture in the United States of America Daugherty provides a broad overview of the influence of the Egyptian gueen by looking at her presence in film novels comics cartoons TV shows music advertising and toys The aim of the book is to show the different ways in which the figure of Cleopatra was able to reach a large and non elite audience Furthermore Daugherty makes a study of the reception of Cleopatra during her own lifetime He begins by looking at her portrayal in the vicious propaganda campaign waged by Octavian against his rival Marc Antony The consequence was that Cleopatra was left with a tarnished reputation after the civil war Daugherty's examination of both the historical and contemporary reception of Cleopatra shows the enduring legacy of one of history s most remarkable queens <u>Imhotep Today</u> Jean-Marcel Humbert, 2016-06-16 This book presents and analyses the results of the use and adaptation of ancient Egyptian architecture in modern times It traces the use of ancient Egyptian motifs and constructions across the world from Australia the Americas and Southern Africa to Western Europe It also inquires into the cultural economic and social contexts of this practice Imhotep Today is exceptional

not only in its global coverage but in its analyses of thorny questions such as what was it about Ancient Egypt that inspired such Egyptianizing monuments and was it just one idea or several different ones which formed the basis of such activities. The book also asks why only certain images such as obelisks and sphinxes were incorporated within the movement. The contributors explore how these monuments fitted into the local architecture of the time and in this context they investigate whether Egyptianizing architecture is an ongoing movement and if so how it differs from earlier similar activities. Poverty of the Imagination David Herman, 2001-09-28. The primal scene of all nineteenth century western thought might involve an observer gazing at someone poor most commonly on the streets of a great metropolis and wondering what the spectacle meant in human moral political and metaphysical terms. For Russia most of whose people hovered near the poverty line throughout history the scene is one of special significance presenting a plethora of questions and possibilities for writers who wished to depict the spiritual and material reality of Russian life. How these writers responded and what their portrayal of poverty reveals and articulates about core values of Russian culture is the subject of this book which offers a compelling look into the peculiar convergence in nineteenth century Russian literature of ideas about the poor and about the processes of art

Pushkin on Literature Aleksandr Sergeevich Pushkin,1986 Pushkin on Literature approaches Pushkin s literary accomplishment from a unique perspective it focuses on Pushkin the critic and on his fascination with the literary world that surrounded him This is the only English language edition of the complete set of Pushkin s critical writing both on his own work and on the wide range of European literature Byron Shakespeare Voltaire Milton which he read and studied and Which so profoundly influenced his own writing These extracts from Pushkin s letters articles and working notes provide a complete chronological record of the artist s literary evolution and provide a fascinating glimpse into the poet s intellectual passions

Editing Turgenev, Dostoevsky, and Tolstoy Susanne Fusso, 2021-07-15 In Editing Turgenev Dostoevsky and Tolstoy Susanne Fusso examines Mikhail Katkov s literary career without vilification or canonization focusing on the ways in which his nationalism fueled his drive to create a canon of Russian literature and support its recognition around the world In each chapter Fusso considers Katkov s relationship with a major Russian literary figure In addition to Turgenev Dostoevsky and Tolstoy she explores Katkov s interactions with Vissarion Belinsky Evgeniia Tur and the legacy of Aleksandr Pushkin This groundbreaking study will fascinate scholars students and general readers interested in Russian literature and literary history

Pushkins Egyptian Nights The Biography Of A Work Introduction

In todays digital age, the availability of Pushkins Egyptian Nights The Biography Of A Work books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pushkins Egyptian Nights The Biography Of A Work books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pushkins Egyptian Nights The Biography Of A Work books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pushkins Egyptian Nights The Biography Of A Work versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pushkins Egyptian Nights The Biography Of A Work books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pushkins Egyptian Nights The Biography Of A Work books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pushkins Egyptian Nights The Biography Of A Work books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pushkins Egyptian Nights The Biography Of A Work books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pushkins Egyptian Nights The Biography Of A Work books and manuals for download and embark on your journey of knowledge?

FAQs About Pushkins Egyptian Nights The Biography Of A Work Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Pushkins Egyptian Nights The Biography Of A Work is one of the best book in our library for free trial. We provide copy of Pushkins Egyptian Nights The Biography Of A Work in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Pushkins Egyptian Nights The Biography Of A Work. Where to download Pushkins Egyptian Nights The Biography Of A Work online for free? Are you looking for Pushkins Egyptian Nights The Biography Of A Work PDF? This is definitely going to save

you time and cash in something you should think about.
