being like the dog constantly chasing his tail not realizing he already has it As readers begin to understand the extent of the work on the cross their walk with God will be renewed and their life in Christ will become an adventure beyond anything they ever thought possible Wommack approaches faith from a no nonsense and unique perspective in that he challenges the reader to evaluate their idea of faith in God Written along the same lines as Kenneth Hagin's How to Turn Your Faith Loose and Right and Wrong Thinking Wommack goes a step further by revealing the erroneous teachings that encourage believers to beg for God's help Instead he shows that Jesus already finished His work when He was resurrected and now it's the believer's responsibility and privilege to enforce that victory against the powers of darkness
