Skunny Wundy and Other Indian Tales Arthur Caswell Parker, 1926 **Ladies' Home Journal**, 1922 *The Ladies' Home Journal*, 1922 **Butterhead's Dream** Karen Cother Boyle, 2010-07-30 What if you were a young child who has all of a sudden come up against some pretty painful events in your life What if you were a simple young animal who lived an uncomplicated innocent life How would you feel when your world became scary or hurtful Ginny is an eleven year old little human girl She s had some deep losses recently and doesn t know what to do or where to turn Butterhead is an orange half grown kitten who lives in the area and has no memories of life being anything else than it presently seems to be Then one day a day greatly unlike the others he s known this tiny child is greatly and rudely awakened to something quite out of his understanding and the anxiety of being alone Think a little bit about coming back way back into the mysterious aura of the Southland in 1950 Muddy fishy scents from the river will invade your senses as true magic and true mystery are finally revealed for what they really are *Stories from the Crosswalk* James Stephens, 2024-04-26 Join James Stephens as he shares original short stories inspired by his interaction with children A talking worm a bullfrog bully and a friendly duck family are just a few of the many characters that spring to life on these pages Let your imagination run wild as you ride a bull with DooDad the Clown and fly into outer space with Santa Claus As each adventure ends the main character has learned a valuable lesson about friendship manners obedience and other Christian values Each of the seventeen short stories includes a timeless black and white illustration to intrigue you And the final story has a twist a place on each page where you can tap into your own creative side and draw pictures to go with the story I cannot thank you enough for sharing your stories with my class Your ability to turn a simple lesson into a fun story that keeps children engaged is powerful I enjoyed watching my students connect with the characters and explain why they loved them Shaunda Douglas Kindergarten Teacher Allen ISD When I was little I would go to James and Kathy Stephens house a lot He would read his stories to me They always made me smile I thought of all sorts of names to name Charlie s horse in Charlie Goes to the Farm I was the first small child that he read his stories to I loved them Natalee Hooper 13

life from his mind The independence he sought and the free life he craved was so close he could taste it then the girl came along Riding a trail bike in Coringup National Park black gown flowing behind her and from what he could see intricate designs painted on her neck and her face He wasn't to know it at the time but that was the moment an ethereal mystical persuasive new force took a hold on his life If he'd had just a little more fire in his belly a little more steel in his spine was less of a fantasist and dreamer the bizarre beauty who appeared out of nowhere may not have taken over his life quite as easily as she did But from the moment he stumbled across her his unmaking had begun And he could do nothing to stop it like she'd gone inside his head and controlled him Even when she rebirthed him and renamed him as Draigh the Dragon her Protector he missed his chance to put a stop to her theatrics and nonsense The question is had he known what a train wreck she was going to make of his life could he have done anything about it Guilty the foreman had droned over and over to each accusation spoken with a malevolence he could taste And yet he'd done none of it not that anyone cared It was her Arachne who created the trail of carnage left strewn in their wake Why would they want to blame him Right from the outset he was against taking GranJude's little yellow car GranJude was in Summerland and would be back soon and would need it but Arachne prevailed and that was the key to what happened the beginning of the end Once he slid behind the wheel and headed north from Coringup there was no turning back He was Draigh now Draigh the Dragon Arachne's companion and protector and dupe riding with an exotic who reckoned she owned him and probably did She knew every thought he was having she pushed him to corners he didn't want to go Never mind her clear rules of distance and non engagement when a bloke's stricken it's too easy to be swept up in the flurry and be carried along Stricken or smitten he could never be sure Arachne the Weaver of Webs the writer of Scripts Love hate no doubt about it He wanted her and needed her he didn't want her and didn't need her But it was like she was him it was like he was her Oh the places she led him The people whose lives they impacted and meshed with And yet whatever she was doing whatever she was plotting he knew none of it Like helping a geriatric bank robber finance his simple daughter's wedding and his overdue retirement Like witnessing her own death in a previous time Helping the beautiful but melancholic Levis Bretherland dispose of his demons and burdens and possessions Loving Pet Picolla Bringing new dimensions to the mundane lives of Fatarse and Shortarse The Dwarf Butterhead and the Tired Lamb Karen Cother Boyle, 2010-07-30 What if you were a lamb who was lost and in need and what if you were a half grown yellow kitten and what if you found this lamb And if you were a little lost black kitten who was very hungry would you go to a sweet trusting face who happened along And if you were a duck with two heads would you be there for your friends What would you do to help and save them from harm And if you were a shepherd who'd lost his favorite little lamb would you leave the flock and search for this little one until you found him Would you go anywhere you needed to go And when you found him would you love him forever and care for him always And what would you do when the whirlwind came It's on the way you know Come with us to the meadow where magical and mystical things happen all the time See how our sweet babes
