Heavilin, Charles W. Heavilin, 2003 Engage age old questions from the Christian Quaker perspective addressing issues of genuine religious experience the search for faith and meaning and the interplay of a living faith with the larger social context *Encyclopedia of Antislavery and Abolition* Peter

Hinks, John McKivigan, 2006-11-30 The emergence of a sophisticated antislavery ideology and the rise of organized opposition to slavery in the Atlantic World in the eighteenth and nineteenth centuries represented nothing less than one of the great intellectual and social revolutions in the history of the world An institution which by the early eighteenth century was near axiomatically accepted as necessary useful and thoroughly in accord with Judaeo Christian tenets and virtues and which profoundly informed the lives of millions of people had by the mid nineteenth century come increasingly to be viewed as the chief vector of evil and the Devil in the world the very quintessence of evil as some called it and the chief repository of all that was socially politically and especially economically archaic and stagnant This encyclopedia is organized around three principal concerns the illustration and explication of the various forms of antislavery and its emergence as an organized movement the immediate precipitants of abolition and the processes of its passage and the enactment of emancipation and its consequences While the earliest expressions of antislavery may have only comprised one or a few isolated voices the antislavery most commonly reviewed here is that animated by a systematic and ardent opposition to slavery and intended to mobilize large numbers of people to attack and end the institution A wide variety of people and organizations nurtured and extended this antislavery religious figures political economists slaves sailors artisans missionaries planters captains of slave ships democratic enthusiasts and others were all involved along with the various organizations secular religious or otherwise with which they were associated Antislavery was by no means exclusively or even principally the work of an intellectual elite and the force of all from the lowly and unlearned to the privileged and prominent is represented The presence of slavery continued to be attacked in the contracting Ottoman Empire in the early twentieth century in Liberia in the 1930s in Saudi Arabia in the mid twentieth century and even in the latter years of the century in countries like Sudan Pakistan India and others in Southeast Asia The entries have a worldwide focus covering antislavery movements and important developments in slavery abolition and slave emancipation in many places around the globe Other entries cover individuals groups events documents and organizations related to the history of abolition and emancipation over the last two centuries Coverage also address a wide range of topics issues and ideas related to the broad topic of ending historical systems of slavery and human bondage Besides over 400 cross referenced entries most of which conclude with lists of additional readings the encyclopedia also includes an Introduction tracing the history of abolition and emancipation a selected general bibliography a guide to related topics numerous illustrations and a detailed subject index

Historical Dictionary of the Friends (Quakers) Margery Post Abbott, 2011-12 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC

and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful

Quaker History, 2003 *The American Friend*, 1924 **The Growth and Development of Quaker Testimony, 1652-1661 and 1960-1994** Gerard Guiton, 2005 Examines the historical underpinnings of contemporary Quaker approaches to conflict in Third World settings This study specifically investigates the South African Quakerism under apartheid between the Sharpeville atrocity 1960 and the South African all party elections 1994

The Beacon Controversy and Challenges to British Quaker Tradition in the Early Nineteenth Century Rosemary Mingins, 2004 This work poses the question why did evangelism become so important to certain leading Quakers in the early nineteenth century The work is set against the background of fear of revolution spreading to Britain the industrial boom and population explosion in manufacturing towns and religious revival among a cross section of

The Southern Friend, 2002 **Minutes and Proceedings of the Five Years Meeting of the American Yearly Meetings of Friends, Held in Richmond, Indiana, Tenth Mo. 15, to Tenth Mo. 21, 1907** Five Years Meeting (Society of Friends : U.S.), 1908 *Evangelical Studies Bulletin*, 2002 **Minutes and Proceedings of the Five Years Meeting of the American Yearly Meetings ...** Five Years Meeting (Society of Friends : U.S.), 1908 Vol for 1902 includes the minutes of the Quinquennial Conference final session

Puritan Boston and Quaker Philadelphia E. Digby Baltzell, 2017-07-28 Based on the biographies of some three hundred people in each city this book shows how such distinguished Boston families as the Adamses Cabots Lowells and Peabodys have produced many generations of men and women who have made major contributions to the intellectual educational and political life of their state and nation At the same time comparable Philadelphia families such as the Biddles Cadwaladers Ingersolls and Drexels have contributed far fewer leaders to their state and nation From the days of Benjamin Franklin and Stephen Girard down to the present what leadership there has been in Philadelphia has largely been provided by self made men often like Franklin born outside Pennsylvania Baltzell traces the differences in class authority and leadership in these two cities to the contrasting values of

the Puritan founders of the Bay Colony and the Quaker founders of the City of Brotherly Love While Puritans placed great value on the calling or devotion to one's chosen vocation Quakers have always placed more emphasis on being a good person than on being a good judge or statesman Puritan Boston and Quaker Philadelphia presents a provocative view of two contrasting upper classes and also reflects the author's larger concern with the conflicting values of hierarchy and egalitarianism in American history
