Quaker Peacemakers A Saga Of Fruitgrowing And Christian Service:

Quaker Peacemakers Samuel R. Levering, 1993-06-01 The Southern Friend, 1992 **Books in Print**, 1991
Subject Guide to Books in Print, 1991 *Pioneers of a Peaceable Kingdom* Peter Brock, 2015-03-08 Extracted from
Pacifism in the United States this work focuses on the significant contribution of the Quakers to the history of pacifism in the

books published by Princeton University Press since its founding in 1905 **True Justice** Adam Curle, 1981 The
Quakers in Peace and War Margaret Esther Hirst, 1972 *Quaker Peacemaking* Friends Service Council, 1974 **Quaker**

Peacemakers Samuel R. Levering, 1993 **Practicing Peace** Catherine Whitmire, 2007 From the bestselling author
Whitmire comes this guide to the Quaker discipline of practicing peace Stories of successful nonviolent movements
throughout history are partnered with quotes mined from over 350 years of Quaker teachings on peace **Partners for**
Peace Stephen G. Cary, 1993 *Working for Peace and Justice* Quaker Peace & Service, 1997 **Walking in the Way of**
Peace Meredith Baldwin Weddle, 2001-05-03 A synthesis of intellectual and social history Walking in the Way of Peace
investigates the historical context meaning and expression of early Quaker pacifism in England and its colonies In a nuanced
examination of pacifism Weddle focuses on King Philip's War which forced New England Quakers rulers and ruled alike to
define the parameters of their peace testimony **Quaker Campaigns in Peace and War (Classic Reprint)** William
Jones, 2017-07-23 Excerpt from Quaker Campaigns in Peace and War In offering this book of reminiscences to the public it
should be understood that it does not purport to be a complete autobiography The main object attempted has been to gather
up at the pressing invitation of many personal friends some fragments of my experiences at home and abroad in connection
with certain leading events in European history during the last half century Imperfect as these records are it is hoped that
they may be of interest as a small contribution to the thoughtful consideration of some important questions especially the
subject of the modern ruinous armaments which have of late obtained so generous a share of national and international
attention and effort If in the narratives of travel the allusions to the Society of Friends may appear to some readers to be
rather too frequent it must be remembered that it was mainly in connection with and at the request of that religious body
that my journeys in America and among our English speaking kindred at the Antipodes as well as on behalf of suffering
humanity in Europe were undertaken These gratuitous services though often arduous and at times perilous were truly a
labour of love as well as of duty About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic

A Quaker Contribution Toward World Peace American Friends Service Committee,194?

A Quaker Book of Wisdom Robert Lawrence Smith,2013-05-21 The most valuable aspect of religion writes Robert Lawrence Smith is that it provides us with a framework for living I have always felt that the beauty and power of Quakerism is that it exhorts us to live more simply more truthfully more charitably Taking his inspiration from the teaching of the first Quaker George Fox and from his own nine generations of Quaker forebears Smith speaks to all of us who are seeking a way to make our lives simpler more meaningful and more useful Beginning with the Quaker belief that There is that of God in every person Smith explores the ways in which we can harness the inner light of God that dwells in each of us to guide the personal choices and challenges we face every day How to live and speak truthfully How to listen for trust and act on our conscience How to make our work an expression of the best that is in us Using vivid examples from his own life Smith writes eloquently of Quaker Meeting his decision to fight in World War II and later to oppose the Vietnam War From his work as an educator and headmaster to his role as a husband and father Smith quietly convinces that the lofty ideals of Quakerism offer all of us practical tools for leading a more meaningful life His book culminates with a moving letter to his grandchildren which imparts ten lessons for letting your life speak
