Congdon, 2015-06-13 Excerpt from *Quaker Quiddities Or Friends in Council A Colloquy* The following pages are given to the public without the sanction of the Meeting for Sufferings Had the manuscript been submitted to the censorship of that body it is hardly probable that its publication would have been suffered The course I have taken being contrary to discipline I have thought it proper to send out my little book without the writer s name on the titlepage I have no fear of disownment should I be known as the offender My age would prevent that as in the eye of the law I am still an infant but I am by no means sure that a punishment more in accordance with schoolroom usages would not follow I hope no one who reads what I have written will receive an impression that there is a shade of disrespect intended towards the Society of Friends A member by birthright my associations with them have always been of the most intimate character I respect them as a body About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Quaker Quiddities; Or Friends in Council** James Bunker Congdon, 2017-12-25 Excerpt from *Quaker Quiddities Or Friends in Council A Colloquy* What is contained in the following pages has nothing to do with prize essayism After it was written I was surprised to learn that the hundred guinea offer had produced a baker s dozen of books each one of which was considered by the writer conclusive as an answer to the question Why is Quakerism declining 9 As near as I can find out by a cursory examination of these essays to do the hundred guinea job successfully Qua kerism is declining because it is Quakerism and not E pis copalianism Methodism or Mormonism Most lame and impotent conclusion one is prompted to exclaim in View of the result of this speculative Operation in the article of Quakerism There is a decrease of the num ber of names on the rolls of the monthly meetings and why Why Because Quakerism is not Mormonism if it were the number would increase About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
