Quality Learning For Student Teachers University Tutors Educational Practices:

Quality Learning for Student Teachers Della Fish, 1995 Quality Mentoring for Student Teachers Della Fish, 2013-10-31 First Published in 1995 This book is directed at setting the feet of mentors on a path towards a principled approach to practice built upon the twin foundations of seeking better understanding of issues and continual refinement of practice This book is addressed to both primary and secondary teachers who are preparing to undertake new mentoring roles in initial teacher education ITE The concerns of this publication are with knowledge understanding capacities and skills that are common to such mentoring across all age ranges Resources in Education ,2001-04 The Journal of Education for Teaching at 40 Peter Gilroy, 2018-10-19 In 2015 the Journal of Education for Teaching celebrated 40 years of original contributions on the subject of international teacher education with the publication of an anniversary virtual special issue Its unique contribution to debates about the preparation and lifelong learning of teachers in a variety of fields including medical education and language education have been expressed in a variety of formats and international contexts These include high quality academic papers using innovative qualitative and quantitative methodologies symposia in the form of Platonic dialogues and even critical positions expressed in verse This virtual special issue was freely available online throughout 2015 but the strong demand for the papers has prompted their re publication in this volume with the addition of several more articles Taken together this collection will allow the reader to experience the variety of the dozen or so international contexts represented in the journal and its academic quality Included in the volume is the original Editorial from the first issue of the journal The fact that the points made in this forty year old piece still ring true suggests that the threats to high quality teacher education remain much the same as they did four decades or more ago The Journal of Education for Teaching continues to provide an indispensable platform for colleagues to make their voices heard in what appears to be an increasingly shrill evidence free environment Long may it do so Mentor Development in the Education of Modern Language Teachers Carol Gray, 2001-01-01 This book investigates a number of case studies of language mentoring in action with a view to prompting readers to reflect upon their own practice as teacher educators Recent research on mentoring teacher effectiveness language teaching and language teacher education is combined to provide a background to the case studies helping to illuminate general principles and issues **Connecting Inquiry and Professional Learning in Education** Anne Campbell, Susan Groundwater-Smith, 2010 How might inquiry enhance the professional practice of student and practising teachers teacher educators and other practitioners What effect might this have on the learning of young people in and outside of the classroom Based on the findings of an international colloquium and drawing upon a range of practices from the UK USA Canada Europe and Australia this book is designed to make explicit the connections between Practitioner Inquiry and Teacher Professional Learning in Initial Teacher Education and Ongoing Teacher Professional Development Considering issues such as the relationship between practitioner inquiry and pedagogical content knowledge

whether it is possible to scale up from small local and intensive innovations to more broadly based inquiry inquiry's role in professional identity both individual and communal prevailing socio political contexts and consequences for social policy formation It brings together writers who work in designing teacher education courses and those who are practice based researchers and policy makers Crucially many of these writers inhabit both spheres and their accounts of how they successfully combine their multiple roles will prove vital reading for all those involved in examining and improving practice leading to enhanced teacher professional learning

Teacher's Personality and Professionalism Jaan Mikk, Marika Veisson, Piret Luik, 2010 The papers in this collection analyse the professionalism of teachers in Estonia and neighbouring countries from several perspectives Data from the OECD TALIS survey have been used to study the transformation of the teaching profession in recent years As Estonia is bicultural one paper deals with the transition to Estonian as the language of instruction in Russian medium schools Teacher professionalism is related to communication skills and this is also explored It is generally accepted that teachers' beliefs guide them in their daily work and so three papers deal with the professional self and self efficacy beliefs among teachers In addition an adaptation of the Teacher Efficacy Scale to the Estonian context is presented The professional experience of young teachers is analysed and a comparison of the school practicum in teacher training in the Netherlands Estonia and Finland is explored Finally the stress that teachers experience has been studied along with the preferred strategies for coping
