Islamic Development Management Noor Zahirah Mohd Sidek, Roshima Said, Wan Norhaniza Wan Hasan, 2019-07-10 This book examines a range of current issues in Islamic development management. The first part of the book explores practical issues in governance and the application of Islamic governance in new areas such as quality management systems and the tourism industry while the second delves into questions of sustainability. The book proposes a new Islamic sustainability and offers new perspectives on CSR in connection with waqf Islamic endowments and microfinance. The third part of the book addresses Islamic values and how they are applied in entrepreneurship inheritance consumer behavior and marketing. The fourth part examines the issues of waqf and takaful a form of insurance in line with the Islamic laws while the fifth discusses the fiqh the study of Islamic legal codes and legal framework from the perspectives of entrepreneurship higher education reporting and inheritance wills. The final chapter is dedicated to the application of Islamic principles in various other issues. Written in an accessible style the book will appeal to newcomers to the field as well as researchers and academics with an interest in Islamic development management.
