MAKE-UP EXAMS. You may only take make-up exams if your reason for missing is one listed in the University catalog or if your absence is previously approved by me after written or oral (at last minute) communication about the absence. If you miss the exam for sickness, you are required to contact me the same day for make-up exam scheduling. Don't try to wait until I have gone over the exam in class. You should not call in sick just because you were not prepared. Experience shows that you will not be any better prepared for the make-up exam, and there will be no curve on any new exam I have to write.
