A short but poignant experience can happen very quickly. These experiences can change us in an instant. We humans are emotional beings. Even the most stable and disciplined among us can be knocked off balance. Our emotions and attitudes can be altered in just seconds. We are all susceptible to the many life experiences that enter our day. We are affected consciously or subconsciously. Every moment of time is part of our life. All that we call good or bad can be used by God to teach us and to know him more. God wastes nothing.
