The Incredible True Story of the Making of the Eve of Destruction Amy Brashear, 2019-10-08 Though the story takes place in the 80s it feels eerily timely Bustle Arkansas 1984 The town of Griffin Flat is known for almost nothing other than its nuclear missile silos MAD Mutually Assured Destruction is a fear every local lives with and tries to ignore Unfortunately that s impossible now that film moguls have picked Griffin Flat as the location for a new nuclear holocaust movie aptly titled The Eve of Destruction When sixteen year old Laura Ratliff wins a walk on role with a plus one thanks to a radio call in contest she is more relieved than excited Mingling with Hollywood stars on the set of a phony nuclear war is a perfect distraction from being the only child in her real nuclear family which has also been annihilated Her parents are divorced and her mother has recently remarried Her father an officer in the Strategic Air Command is absent except when he phones at odd hours to hint at an impending catastrophe

But isn't that his job? Laura's only real friend is her new stepbrother Terrence. She picks him as her plus one for the film shoot, enraging her fair-weather friends. But their anger is nothing compared to what happens on set after the scripted nuclear explosion. Because nobody seems to know if a real nuclear bomb has detonated or not. *Taming Oedipus* Herbert Wagemaker, 1999

Chessa knew she and Nick had never actually met, but Bobby longed for a father, and Nick desperately wanted to be one. Yet she never thought they'd grow so close, and the last thing she expected was to fall for Nick herself. But the closer she and Nick became, the more Chessa had to lose. At Last My Love-This I Promise Peebee Jax, 2010-07-23 When two hearts become one, both happiness and sometimes sadness will find a place in that seemingly perfect union. As much happiness as we shared when I look back over our life together, I was blessed that God allowed me to experience such joy and love every day with a man who not only made

promises but kept those promises Even though I have also witnessed sadness to an unimaginable degree since his unexpected death I can truly say I was still blessed to have loved and been loved to a magnitude I do not have words to describe A lifetime cannot be defined in terms of hours days years decades or century Regardless of the length of time any relationship lasts we must learn to live every minute like it is our last That is what my one true love taught me He added truth honesty love and devotion together and we had a sum total of joy and happiness divided by the number of offsprings produced by that love And we never parted in anger or unforgiveness because no one can predict what the next minute will bring Sometimes I think my love was just too wise for this world that is why God called him home to be with Him As I look back over our life together I feel enormously blessed by God to have had such a love as this in my lifetime Only God made it possible Only God allowed me to experience total bliss for a little while 29 8 years Words cannot describe the memories stored in my memory bank of our span of time together In all my days of blissful retreat the only thing I feel I did not do enough of is giving grateful praise to the Almighty for creating that soul mate just for me and I for him Life will go on and in each whisk of air against my skin as I sit and read I will remember it is you my love stopping by to see me every now and then God saw you were getting tired So He did what He knew was best He watched and waited for the exact time You were in most need of some rest You did not say to me farewell Nor even a wave good bye God took you swift and easy I dare not ask God why He gave you to me for a while I loved you with all my heart I showed you I told you daily Even in death we are not apart Rest easy Honey until I get there I will know you when I arrive We will be just two angels forever Always partners side by side
