Rolls And Register Of Bishop Oliver Sutton 12801299 I:

The Rolls and Register of Bishop Oliver Sutton, 1280-1299 Catholic Church. Diocese of Lincoln (England). Bishop (1280-1299 : Sutton),1948 The Rolls and Register of Bishop Oliver Sutton, 1280-1299 Oliver Sutton,1915 **Power, Politics and Episcopal Authority** Angelo Silvestri,2014-11-24 It is impossible to completely understand the history of the medieval church without understanding how bishops control was exercised in the diocese and in the city This book assesses the differences shifts and changes in the power of the bishop in the cities and the dioceses of Lincoln and Cremona from the middle of the 11th century to the mid 14th century Lincoln with the biggest medieval diocese in England and with its unique series of bishops such as Hugh of Wells Hugh of Avalon Ro **The Rolls and Register of Bishop Oliver Sutton, 1280-1299** Catholic Church. Diocese of Lincoln (England). Archives,1950 **The Rolls and Register of Bishop Oliver Sutton** Catholic Church. Diocese of Lincoln (England). Bishop (1280-1299 : Sutton),1948 **Marriage, Family, and Law in Medieval Europe** Michael M. Sheehan,1997-01-01 A collection of essays by Michael Sheehan whose work and interpretation on medieval property marriage family sexuality and law has inspired scholars for 40 years **On the Cessation of the Laws** Robert Grosseteste,2012-04-23 Robert Grosseteste ca 1168 1253 was an unusual and exceptional man from the lowest social class yet greatly admired by kings and popes a scientist but also a philosopher and theologian a talented administrator and a successful teacher a pastor doggedly devoted to the care of his flock but also a scholar dedicated to the translation of early Christian fathers and Aristotle loyal to the pope but fearless and bold in calling for the reform of the curia On the Cessation of the Laws directly reflects the profundity and originality of Grosseteste s theological work and indirectly reveals his pastoral concerns The work consists of four books In the first Grosseteste offers arguments mostly from Scripture against the position that he wishes to defend and then counters these arguments with a lengthy treatment of the whole economy of creation and salvation and the place of the Scriptures Old and New in it The second attempts to show from clear Old Testament texts that the crucified Jesus was the saviour promised in the Law The third is dominated by theological arguments for the incarnation of Christ even if humanity had not sinned and the fourth addresses a cluster of questions that follow upon the death of the Law **The Impact of the European Reformation** Ole Peter Grell,2017-05-15 Recent decades have witnessed the fragmentation of Reformation studies with high level research confined within specific geographical confessional or chronological boundaries By bringing together scholars working on a wide variety of topics this volume counteracts this centrifugal trend and provides a broad perspective on the impact of the European reformation The essays present new research from historians of politics of the church and of belief Their geographical scope ranges from Scotland and England via France and Germany to Transylvania and their chronological span from the 1520s to the 1690s Considering the impact of the Reformation on political culture and examining the relationship between rulers and ruled the book also examines the church and its personnel another sphere of life that was entirely

transformed by the Reformation Important aspects of knowledge and belief are discussed in terms of scientific knowledge and technological progress juxtaposed with analyses of elite and popular belief which demonstrates the limitations of Weber's notion of the disenchantment of the world Together they indicate the diverse directions in which Reformation scholarship is now moving while reminding us of the need to understand particular developments within a broader European context demonstrating that movements for religious reform left no sphere of European life untouched Bishop Robert Grosseteste and Lincoln Cathedral JohnShannon Hendrix,2017-07-05 Bishop Robert Grosseteste and Lincoln Cathedral is an in depth investigation of Grosseteste's relationship to the medieval cathedral at Lincoln and the surrounding city This book will contribute to the understanding of Gothic architecture in early thirteenth century England most specifically how forms and spaces were conceived in relation to the cultural religious and political life of the period The architecture and topography of Lincoln Cathedral are examined in their cultural contexts in relation to scholastic philosophy science and cosmology and medieval ideas about light and geometry as highlighted in the writings of Robert Grosseteste Bishop of Lincoln Cathedral 1235-53 At the same time the architecture of the cathedral is considered in relation to the roles of the clergy and masons the policies of the bishop matters of governance worship and education ecclesiastical hierarchy church liturgy politics and processions The book explores Grosseteste's ideas in the broader context of medieval and Renaissance cosmologies optics perspective natural philosophy and experimental science and considers historical precedents in regard to religious political and symbolic influences on church building The contributors to this volume make an important contribution to our current understanding of the relation between architecture theology politics and society during the Middle Ages and how religious spaces were conceived and experienced **The High Middle Ages in England 1154-1377** Bertie Wilkinson,1978-06-22 All aspects of England in the High Middle Ages are covered including sections on social economic religious military intellectual and art history as well as on political and constitutional history From publisher description
