Roly Chronicle Of A Stubborn Non Conform:

Worth Fighting For Lara Campbell, Michael Dawson, Catherine Gidney, 2015-04-02 Historians veterans museums and public education campaigns have all documented and commemorated the experience of Canadians in times of war But Canada also has a long rich and important historical tradition of resistance to both war and militarization This collection brings together the work of sixteen scholars on the history of war resistance Together they explore resistance to specific wars including the South African War the First and Second World Wars and Vietnam the ideology and nature of resistance national ethical political spiritual and organized activism against militarization such as cadet training the Cold War and nuclear arms As the federal government continues to support the commemoration and celebration of Canada s participation in past wars this collection offers a timely response that explores the complexity of Canada s position in times of war and the role of social movements in challenging the militarization of Canadian society "Professor Heussi? I Thought You Were a Book" Eric W. Gritsch, 2009-07-27 Professor Heussi I Thought You are a Book is an entertaining account of six decades of graduate education with the subtitle A Memoir of Memorable Theological Educators 1950 2010 In personal encounters as well as in books academic icons appear on the horizon of memory Viktor Frankl in Vienna Karl Barth in Basel Carl Jung in Zurich Reinhold Niebuhr in New York Paul Tillich at Harvard and the doctor father Roland Bainton at Yale They are mixed with has beens upstarts and other special professorial characters In this memoir of Lutheran scholar Eric Gritsch these accounts are also fed with collegial encounters during his thirty three years of teaching and research in church history at the Gettysburg Lutheran Seminary with international excursions for Luther research and ecumenical dialogue with Roman Catholics Ambition stamina and humor are ingredients that spike this cocktail of theological education of a native of Austria in the 1950s and 60s Connoisseurs of anecdotal learning will find some satisfaction in this personal history of graduate studies in Europe and in the United States **Routledge Library Editions: Higher Education** Various, 2021-03-29 The volumes in this set originally published between 1964 and 2002 draw together research by leading academics in the area of higher education and provide a rigorous examination of related key issues The volume examines the concepts of learning teaching student experience and administration in relation to the higher education through the areas of business sociology education reforms government educational policy business and religion whilst also exploring the general principles and practices of higher education in various countries This set will be of particular interest to students and practitioners of education politics and sociology **Religious Higher Education in the United States** Thomas Hunt, James Carper, 2018-10-11 Originally published in 1996 Religious Higher Education in the United States looks at the issue of higher education and a lack of a clearly articulated purpose an issue particularly challenging to religiously affiliated institutions This volume attempts to address the problems currently facing denomination affiliated institutions of higher education beginning with an introduction to government aid and the regulation of religious colleges and universities in the US The greater part of

the volume consists of 24 chapters each of which begins with a historical essay followed by annotated bibliographical entries covering primary and secondary sources dating back to 1986 on various denomination connected institutions Dictionary of American Religious Biography Henry W. Bowden,1993-04-13 The first edition of this award winning reference published in 1977 contained 425 biographical profiles of the most significant American religious figures This new edition includes profiles for 125 additional people and the earlier biographical sketches have been revised and updated The volume includes religious leaders who died before July 1 1992 Among its pages are entries for reformers philosophers social activists doers and dreamers While many of the people are mainstream white ordained clergymen many more stand outside traditional denominations and reflect the cultural and religious diversity of modern America The result is a systematic overview of 400 years of American religion from the colonial period to the present day Each profile begins with a capsule summary of the chief events in that person s life The biographical essay that follows places the basic facts of the figure s life within the larger context of American religious history A bibliography of the most significant works by and about the figure concludes each entry Appendices at the end of the work categorize each individual by religious denomination and by place of birth **The Correspondence of Roland H. Bainton and Delio Cantimori** Roland Herbert Bainton,Delio Cantimori,2002 **From New Haven to Nineveh and Beyond** Benjamin Foster,2023-09-01 Over the course of three centuries Yale has been actively and seriously engaged in Near Eastern learning in both senses of the term training students in the knowledge and skills needed to understand the languages and civilizations of the region and supporting generations of scholars renowned for their erudition and pathbreaking research This book traces the history of these endeavors through extensive use of unpublished archival materials including letters diaries and records of institutional decisions Developments at Yale are set against the wider background of changing American attitudes toward the Near East as well as evolving ideas about the role of the academy and its curriculum in educating undergraduate and graduate students In the case of the Near East this also involves considering how several of its disciplines made the transition from biblically motivated enterprises to secular fields of study Yale has notable firsts to her credit the first American professional program in Arabic and Sanskrit the first American learned society and periodical devoted to Oriental subjects the first American research institutes in Jerusalem and Baghdad the first American university to have endowed funds to establish and curate one of the world s largest collections of cuneiform tablets and cylinder seals Yet at the same time especially over the past half century Yale has found it challenging to deal administratively with a small humanities department whose standards and philosophy of teaching and learning seemed increasingly at odds with trends in the university as a whole This book places these tensions in the context of Yale s responses to post World War 2 interest in the modern Middle East the rise of government supported area studies and the consequences of American military actions in Iraq and Afghanistan Numerous illustrations many of them previously unpublished and drawn from a wide range of source material round out the portrait of three centuries of Near Eastern
