of the literary dialects of Italy over five centuries and across the country's regions shedding light on a profoundly plurilingual and polycentric civilization As a guide to reading and research it provides a compendium of literary sources in dialect arranged by region and accompanied by syntheses of regional traditions with selected textual illustrations A work of extraordinary importance The Other Italy was awarded the Modern Language Association of America's Aldo and Jean Scaglione Publication Award for a Manuscript in Italian Literary Studies It will serve scholars as an indispensable resource book for years to come
