Pompeii Paul Zanker,1998 Paul Zanker a noted authority on Roman art and architecture shows us the images that marked Pompeii s development from country town to Roman imperial city At home or in public at work or at ease Pompeians and their world come alive in Zanker s masterly rendering *Rome, Ostia, Pompeii* Ray Laurence,David J. Newsome,2011-11-24 Rome Ostia Pompeii Movement and Space demonstrates how studies of the Roman city are shifting focus from static architecture to activities and motion within urban spaces This volume provides detailed case studies from the three best known cities from Roman Italy revealing how movement contributes to our understanding of the ways different

elements of society interacted in space and how the movement of people and materials shaped urban development The chapters in this book examine the impressions left by the movement of people and vehicles as indentations in the archaeological and historical record and as impressions upon the Roman urban consciousness Through a broad range of historical issues this volume studies movement as it is found at the city gate in public squares and on the street and as it is represented in texts Its broad objective is to make movement meaningful for understanding the economic cultural political religious and infrastructural behaviours that produced different types and rhythms of interaction in the Roman city This volume s interdisciplinary approach will inform the understanding of the city in classics ancient history archaeology and architectural history as well as cultural studies town planning urban geography and sociology The Economy of Pompeii Miko Flohr, Andrew Wilson, 2017 This book is the first to address from a variety of perspectives the economy of the Roman city of Pompeii It uses archaeological and textual evidence to discuss topics as diverse as agriculture in the fertile plains at the foot of mount Vesuvius diet and health manufacturing urban investment consumption trade and money **Urban Space and Urban History in the Roman World** Miko Flohr, 2020-05-25 This volume investigates how urban growth and prosperity transformed the cities of the Roman Mediterranean in the last centuries BCE and the first centuries CE integrating debates about Roman urban space with discourse on Roman urban history The contributions explore how these cities developed landscapes full of civic memory and ritual saw commercial priorities transforming the urban environment and began to expand significantly beyond their wall circuits These interrelated developments not only changed how cities looked and could be experienced but they also affected the functioning of the urban community and together contributed to keeping increasingly complex urban communities socially cohesive By focusing on the transformation of urban landscapes in the Late Republican and Imperial periods the volume adds a new explicitly historical angle to current debates about urban space in Roman studies Confronting archaeological and historical approaches the volume presents developments in Italy Africa Greece and Asia Minor thus significantly broadening the geographical scope of the discussion and offering novel theoretical perspectives alongside well documented thematic case studies **Urban Space and Urban History in the Roman World** will be of interest to anyone working on Roman urbanism or Roman history in the Late Republic and early Empire
