Romance Of Atlantis:

The Romance of Atlantis Taylor Caldwell, Jess Stearn, 2017-08-01 A young queen is torn between her heart's desire and the fate of her kingdom in this first-rate fantasy from a New York Times bestselling author Library Journal On his deathbed the four hundred year old emperor of Atlantis has reason to worry Signar the savage ruler of a powerful outlying state is scheming to seize control of the empire and not even its advanced technology can save it But something else can From the frozen north country of Althrustri Signar will halt his invasion if he can take the emperor's daughter the beautiful Empress Salustra as his bride Such a marriage contradicts the deepest feelings of Salustra's heart the secret wisdom of her lineage and her sacred trust as Atlantis's queen But the emperor has a plan Salustra will seduce Signar and then sentence him to death In spite of every effort to harden her heart Salustra soon finds herself falling in love with the lustful barbarian Her loyalties gravely divided the empress must make a decision that will change the course of history Written by author Taylor Caldwell when she was a young girl and revised and published decades later The Romance of Atlantis transforms the legend of a lost kingdom into an extraordinary tale of passion and intrigue TheColumbus Dispatch [The Romance of Atlantis](#)

Elizabeth G. Birkmaier, 2022-08-21 In Poseidon's Paradise Elizabeth G Birkmaier delves into the intricate interplay between myth and modernity weaving a narrative that explores the depths of human emotion against the backdrop of a fantastical underwater world Through fluid prose and vivid imagery Birkmaier conjures a realm where the ancient Greek god of the sea Poseidon serves as both a guardian and a challenger to the protagonists desires and fears The novel's literary style combines elements of magical realism with psychological introspection encouraging readers to reflect on the age old conflicts between personal ambition and communal responsibility all framed within the enchanting yet perilous oceanscape Birkmaier a scholar of classical mythology and contemporary literature draws upon her extensive academic background and personal fascination with marine ecosystems to craft this compelling tale Her previous works reflect a similar focus on mythic archetypes and she infuses Poseidon's Paradise with a deep understanding of cultural narratives that resonate through time Her experiences studying ancient civilizations have enriched her exploration of how mythology shapes our realities providing a fertile ground for the themes presented in this novel For readers who crave a blend of fantasy and profound existential inquiries Poseidon's Paradise is an essential addition to your literary collection Birkmaier's masterful storytelling invites you to dive deep into a world where inner and outer journeys converge leaving an indelible impact on your understanding of choice consequence and the beauty of the unknown Immerse yourself in this sumptuous narrative and explore the tides of destiny that shape us all
