2002 and beginning of 2003 it is my grandmother to whom i give the most credit for giving me the tenacity to face difficult situations and still remain strong if i hadn4t had her example before me things would have been much more difficult My mother in law Lenora Derryberry was an angel she embodied the essence of love hope faith and caring A more beautiful person you would be wont to find She was the most wonderful person i ever knew the faith that she shared with me became my foundation when my life has taken a strange twist or two if i did not have my faith i never would have been able to survive this lastyear So my second book No Greater Love is a testament of what was given me love without reservations unconditional love no matter what we all make mistakes in our life but it is our growth from life4s upsets that defines who we are i would like everyone coming

Earth's Wild Music Kathleen Dean Moore, 2022-02-22 At once joyous and somber this thoughtful gathering of new and selected essays spans Kathleen Dean Moore's distinguished career as a tireless advocate for environmental activism in the face of climate change In this meditation on the music of the natural world Moore celebrates the call of loons howl of wolves bellow of whales laughter of children and shriek of frogs even as she warns of the threats against them Each group of essays moves as Moore herself has been moved from celebration to lamentation to bewilderment and finally to the determination to act in defense of wild songs and the creatures who sing them Music is the shivering urgency and exuberance of life ongoing In a time of terrible silencing Moore asks who will forgive us if we do not save nature's songs
