Romans Verse By Verse A Classic Evangelical Commentary:

Romans: Verse-By-Verse William R. Newell, 1938 A scholarly and analytical exposition of the text of Romans that is both practical and devotional **A Critical Examination of the Doctrine of Revelation in Evangelical Theology** Carisa A.

Ash, 2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward **George Washington Sheafor** Oscar Hollis

Davis, 2010-08 Dr George Washington Sheafor was a Baptist evangelist and pastor who lived during the years that the United States was growing the population was moving westward and new territories and states were being added His teaching and preaching ministry spanned seventy six years beginning in 1892 through his death at age 96 in 1968 His pioneer ministry began in Arizona while it was still a territory As a young man he worked on a ranch taming wild horses off the range and preached to some of the ranch hands with whom he worked He attended Moody Bible Institute in Chicago Illinois and was mentored by Dwight L Moody the great evangelist of his day He also studied the life and teachings of Andrew Murray and patterned his life after this great English teacher and preacher He began preaching revival meetings in Nebraska Kansas Oklahoma and Texas During his pastoral ministry he served in Comanche and Brownwood Texas Lawton Oklahoma and in Lancaster Texas Dr Sheafor s pastoral ministry changed in 1941 when he became a Bible teacher at the First Baptist Church in Dallas Texas His name is synonymous with the teaching of Bible prophecy In all of his teaching and preaching Dr Sheafor majored on the wonderful promises that God has given to every born again believer He presented the joy and the glory to be experienced by every believer in the Rapture the Second Coming of Jesus and the New Heaven and New Earth His wealth of knowledge concerning prophecy was inimitable and he was loved and admired by all who heard him speak including many of the professors at Dallas Theological Seminary and Dr W A Criswell pastor of First Baptist Church Dallas for all of the twenty three years that Dr Sheafor taught the class that now bears his name Romans Charles Hodge, 1994-04-15 For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God highly respected for their godly walk and their insight into spiritual truth The Crossway Classic Commentaries present the very best work on individual Bible books carefully adapted for maximum understanding and usefulness for today s believers Perhaps there is no clearer and more systematic treatise on the gospel of Jesus Christ than that found in Paul s Epistle to the Romans Christian believers

through the centuries have fed deeply on its themes of the sinfulness of man the richness of God's mercy the transforming power of Jesus Christ in the repentant life the believer's participation in the Savior's death and resurrection and the practical implications of spiritual truth for daily life This classic commentary is a treasure for all who desire a deeper walk with God Whether used for supplementary reading or for careful study it will prove profitable to every follower of Christ who avails himself or herself of its gems *Commentaries on Romans, 1-2 Corinthians, and Hebrews* Cyril, 2022-03-08 For the first time in English this ACT volume translates Cyril of Alexandria's surviving New Testament commentaries Abounding with insights from one of the most significant figures of the early church these commentaries explore themes such as the triune nature of God Christ's sacrificial death and justification and are essential tools for understanding Cyril's reading of Holy Scripture

Biblical Principles of Hiring and Developing Employees Bruce E. Winston, 2018-02-21 This book begins with the scriptural support for person organization fit and person job fit The book then examines scriptural support for the four Cs of people's work fit Calling Competence Confidence and Character Finally the book uses Acts 6:1-7 as a basis for identifying the type of people one should look to hire The book covers two development concepts Nomos about ruling in an organization and progressive responsibility from Luke 16:10 The chapters present the concepts from a scriptural base and include composite case examples that relate to contemporary organizations

Perseverance and Apostasy in the New Testament Dongsu Kim, 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God's sovereignty and human responsibility the role of the Holy Spirit for the believer's perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy

ENDORSEMENTS The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim's near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book

Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in

future work on this controversial topic Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text s central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John s Gospel walking through Acts and the letters and completing with the book of Revelation One s theological presuppositions will of course affect how he she receives and responds to Kim s case It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude Yet undoubtedly Perseverance and Apostasy in the New Testament proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions This well written book will serve its readers effectively by sharpening or challenging their views if not both Dr John Lee Associate Professor of New Testament Midwestern Baptist Theological Seminary This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition Perseverance and Apostasy in the New Testament provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim s exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers engagements with apostasy are consonant with the Scriptures declarations of divine sovereign grace in salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God s gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture s teachings about the ideas of perseverance and apostasy Dr

Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary *Hebrews* William R. Newell, 2005-01-01 A scholarly and analytical exposition of the text of Hebrews **And the Lamb Wins** Simon Ponsonby, 2010-01-01 There is a growing collective interest in the end times But with that interest comes a barrage of confusing and sometimes misleading ideas and messages With so much available information how can we discern fact from fiction Pastor Simon Ponsonby takes an eye opening look at what the future holds Cutting through today's cultural din Simon examines provocative topics including Biblical indicators of the end times The return of Jesus Christ The tribulation and the rapture Israel's place in the future The true role of the antichrist Simon examines each event through the lens of solid scripture and shares how we can realistically and positively react to these revelations in our daily life Most of all we'll find that whatever the future has in store our hope lies beyond this world Because no matter the end the lamb wins **An Introduction to Classical Evangelical Hermeneutics** Russell Penney, Time proven principles of biblical interpretation such as historical setting grammatical setting and contextual setting are discussed
