Anderson, 2023-12-20 This is a study in the interpretation of Paul with a focus on an interpretation of Romans 9 to 11 as a defense of God's faithfulness to Israel The study begins with reviews of three historical approaches to studying Paul's relationship to the Judaism of his era the third anchoring Paul with the Judaism of his time Second Temple Judaism It then moves to an interpretation of his writings from a broad framework within that Jewish sociocultural paradigm The study suggests that Paul's letter to the Romans provides a defense of Judaism

and Romans 9 to 11 provides an argument for God's faithfulness to Israel. Romans 11 particularly 11:25-32 presents a picture of Israel's redemption and how gentiles relate to Israel's redemption through the mercy they have received via Israel. Gentiles are seen as instrumental in the redemption of Israel. Romans 11:25-32 should be read as a missional paradigm to Israel.

Apologia for the Law and the Sabbath Roger Hadad, 2019-07-15

In the Gospels we find that Jesus consistently refers to the first five books of the Old Testament as the Law. And on many occasions the Master extracts legal precedents from this law in order to settle all kinds of disputed matters and even subdue the Tempter. Yet modern believers dogmatically insist that this same law has been done away in order to make way for salvation. But is this a helpful and correct understanding of the Holy Scriptures? What are the unintended consequences of promoting a view where the Bible as it were devours itself? Is there a cognitive price to be paid? Have contemporary Christians set themselves up for failure and misperception by advancing this view as we force our square doctrinal peg into the round Scriptural hole? Can we really uproot justice, mercy, and faith from the Old Testament yet maintain a coherent biblical worldview? The author of *Apologia* believes that there is a better way. Discover the unbreakable unity of the Holy Scriptures and be free from the cognitive dissonance that plagues modern believers. Discover the encrypted code that runs all through the Scriptures from Genesis to Revelation: the connection between the Old Testament Law and the New Covenant; the difference between legalism and lawfulness and the Scriptural way of loving God. *Apologia for the Law and the Sabbath* is an audacious and in your faith way of looking at the Bible that causes the heart to burn with passion. It forcefully tears open the veil that separates Old and New Testament Scriptures to reveal a bold and seamless narrative which reveals the Creator's ancient code of conduct for believers. Tread past salvation's timid threshold and boldly step into the path of righteousness where we partner with God as we strive to reach the full measure of the stature of the fullness of Christ and boldly claim your rightful place as sons and daughters of the Almighty. Discover the common denominator which characterized our spiritual ancestors: Noah, Abraham, Moses, David, and the apostle Paul. Rekindle your new birth passion and strengthen your faith in a way you never thought possible. Grow past the bashful platitudes and learn the way of the Master. Read the book others are calling tremendous, excellent, and refreshing.

The Gospel According to Paul Graham H. Twelftree, 2019-11-20

Paul's gospel is misunderstood. Paul's gospel is seen as his message, perhaps an empowered message he saw it differently. His gospel can be many things: tradition about Jesus, Jesus Christ himself, the ministry of Jesus, the replication of the ministry of Jesus, God's salvific drama, the salvation experience of people, a message, and something that can and should be embodied or lived. And the gospel does not come to people in Paul's preaching. He says it comes or takes place in both his message and the miraculous. Without the involvement and acts of God in the miraculous, for Paul there would have been no gospel, only preaching. It is not that the miraculous was simply a proof or demonstration of the gospel; it was integral to it. In the gospel's coming or establishment, it is clear that at heart the gospel is God's salvation, the presence of God himself.

in Christ experienced in the symbiotic relationship between Paul's message about God's Son Jesus Christ and the activity of God in the miraculous. Not surprisingly then Paul rarely talks of preaching the gospel. He sees himself as gospelling.

Richard M. Blaylock, 2023-08-24 Hardening hearts. Blinding eyes. Sending deceitful spirits. Crafting vessels of wrath. Few will deny that certain biblical passages make claims about God that are difficult to accept. But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them. What are readers to do with these texts? In *Vessels of Wrath*, Richard M. Blaylock tackles the thorny subject of divine reprobating activity (DRA). Through an exhaustive biblical theological study of the Christian canon's witness, Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept; instead, the biblical authors showcase both the significance and the complexity of DRA in a variety of ways. The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity.
