Forthcoming Books Rose Arny,2001-06 *American Book Publishing Record* ,2000-07 Night and Day Dahlia Rose,2011-06-16 Larkin Day knew how to be a good cop On the streets of New York you had to pick your battles She helped those she could and sometimes had to walk away from those who didn't want to save themselves It was a harsh life but she loved the city and thought she knew it all What she didn't expect was to be trapped on a rooftop with a snarling beast It killed her partner and now she was its next intended target She didn't dare open her eyes even when a deep kind voice told her she was safe Larkin's life was turned upside down She was in a world where monsters were real Werewolves existed and were hunting in New York Her savior showed up that same night to her apartment to let her know that she was still in danger and he was there to help her Keaton Knight was built like a tree trunk and was as gorgeous as hell The first kiss he gave her was only the beginning Each touch made her burn hotter for the man who held two natures in one body Now with him and his team they hunted the things that tried to ravage their city that took her partner With danger at every turn Larkin found something worth holding on to Keaton Knight a man who could become a wolf and who called her his mate Published previously revised with new content *Night+Day New York* Brian Niemitz,2006 This sleek guide emphasizes the details that busy and discerning travelers need to know the very best venues and activities the prime time to be in every spot and packed with insider tips Structured around styles such as hot cool hip classic that make up New York's unique character the guide's easy to use format gives travelers a selection based on the city's array of personalities not geography or price
