Rome Eternal Guy Lanoue, 2017-07-05 What does Roman mean How does the mythical city touch people's identities values and attitudes In the long established and official imaginary of the West Rome is the citta dell'arte the city of faith an heirloom city inspired by the traces of ancient Empire by the brooding aura of the Church by Hollywood fairy tale romance and by the spicy tang of veiled decadence But what of its contemporary residents Are they now merely guides and waiters servicing throngs of tourists indifferent to the city's contemporary charms Guy Lanoue a former resident of Rome explores how Romans live the modern myth of Rome Eternal Since the 19th century it has defined an important community the fatherland a home spun society where the rules of everyday life become tradition ways of eating dressing making and keeping friends and acquaintances proper ways of speaking and a hard to define but nonetheless tangible air of composure Guy Lanoue is a Professor of Anthropology at the Universite de Montreal

The Three Cities Trilogy: Rome Emile Zola, 2016-08-26 IN submitting to the English speaking public this second volume of M Zola s trilogy Lourdes Rome Paris I have no prefatory remarks to offer on behalf of the author whose views on Rome its past present and future will be found fully expounded in the following pages That a book of this character will like its forerunner Lourdes provoke considerable controversy is certain but comment or rejoinder may well be postponed until that controversy has arisen At present then I only desire to say that in spite of the great labour which I have bestowed on this translation I am sensible of its shortcomings and in a work of such length such intricacy and such a wide range of subject it will not be surprising if some slips are discovered Any errors which may be pointed out to me however shall be rectified in subsequent editions I have given I think the whole essence of M Zola s text but he himself has admitted to me that he has now and again allowed his pen to run away with him and thus whilst sacrificing nothing of his sense I have at times abbreviated his phraseology so as slightly to condense the book I may add that there are no chapter headings in the original and that the circumstances under which the translation was made did not permit me to supply any whilst it was passing through the press however as some indication of the contents of the book which treats of many more things than are usually found in novels may be a convenience to the reader I have prepared a table briefly epitomising the chief features of each successive chapter E A V
