

ROME HAUL

WALTER D. EDMONDS
Foreword by Frank Bergmann

Rome Haul New York Classics

James Thomas Flexner

Rome Haul New York Classics:

Rome Haul Walter Dumaux Edmonds,1987 *Upstate* Edmund Wilson,2019-11-19 Historical recollections of life in upstate New York from Edmund Wilson one of America s preeminent literary critics of the twentieth century What I have written shows the gradual but steady expiration of the world of New York State as I knew it in my childhood and the modifications that its life has undergone It is true that Lowville and Boonville have changed less unless perhaps Charlottesville Virginia than any other part of this country that I knew when I was a child But as has been seen it has reflected all the changes that to a greater degree have been taking place in the life of the country as a whole Edmund Wilson

Grandfather Stories Samuel Hopkins Adams,1989-04-01 **The Boyds of Black River** Walter D. Edmonds,1988-11-01 **Canal Town** Samuel Hopkins Adams,1988-11-01 Samuel Hopkins Adams presents a fictional portrait of an Erie Canal town in the early nineteenth century This piece of classic literature relates the tale of a young doctor setting up a practice in the canal town **Mostly Canallers** Walter D. Edmonds,1987-06-01 Edmund Wilson felt this collection of twenty four stories originally published in 1934 contains some of Walter Edmonds best work The Atlantic Monthly wrote that Upstate New York has provided Edmonds with an inexhaustible store of characters one would like to know A number of the stories were award winning and appeared in such collections as Best Stories of 1929 and The O Henry Memorial Award Prize Stories Black Wolf The End of the Towpath Death of Red Peril these and others faithfully depict an era and region for which Edmonds became chief literary spokesman Episodic and anecdotal they catch in various ways something of the nuances of real life as it was in the days when the Erie Canal offered a passage west for many travelers and settlers and a livelihood for many more The Best Adirondack Stories of Philander Deming Philander Deming,1997-03-01 In simple darkly faceted stories Philander Deming writes as a person whose childhood knowledge of the Adirondacks has been honed to a fine sense for its potential human tragedy In this the first collection of his best work a haunting vision of the Adirondacks comes through that is hard to forget Deming s themes revolve around deception and self deception loneliness and good intentions gone awry Most of his stories occur just before or after the Civil War In almost every story however Deming shows his characters looking back towards the mountains from the Mohawk or St Lawrence Valley or from lonely settlements on the edge of the forest or across Lake Champlain Few Adirondack writers have been so convincing in conveying the keen isolation of life in the northern forest and its peculiar effects on the human mind The wilderness community is cruel fostered by ignorance and isolation In the end the mountains seemingly a neutral back drop against which individuals confront a collective morality are the real source of his inspiration *The Traitor and the Spy* James Thomas Flexner,1991-11-01 An account of the traitorous trio who almost toppled the American nation at its birth Benedict Arnold offered to sell his soldiers with the key fortress of West Point and to deliver to the enemy dead or alive George Washington The plot promised to destroy the American battle of freedom **Erie Canal Sings, The: A Musical History of**

New York's Grand Waterway Bill Hullfish With Dave Ruch, 2019 Life working along the banks of the Erie Canal is preserved in the songs of America's rich musical history Thomas Allen's Low Bridge Everybody Down has achieved iconic status in the American songbook but its true story has never been told until now Erie songs such as The Erie Is a Risin would transform into The C O Is a Risin as the song culture spread among a network of other canals including the Chesapeake and Ohio and the Pennsylvania Main Line As motors replaced mules and railroads emerged the canal song tradition continued on Broadway stages and in folk music recordings Author Bill Hullfish takes readers on a musical journey along New York's historic Erie Canal

Mount Allegro Jerre Mangione, 1998-03-01 Mount Allegro is an extraordinary memoir a celebration of Sicilian life an engaging sociological portrait a moving reminiscence of a fledgling writer's escape from the restrictive culture in which he grew up Jerre Mangione's autobiographical chronicle of his youth in a Sicilian community in Rochester is one of the truly enduring books about the immigrant experience in this country Family squabbles soul nourishing food and the casting of evil eyes are only some of the ingredients of this richly textured book although they must all take second place to its unforgettable characters As Eugene Paul Nassar writes in the book's Foreword Mount Allegro gave a literary visibility and identity amiable and appealing to a poorly understood ethnic group in America and did so at a very high level of artistry

Whispering the Secrets of Language: An Emotional Journey through **Rome Haul New York Classics**

In a digitally-driven earth where screens reign great and quick connection drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within phrases often go unheard. However, nestled within the pages of **Rome Haul New York Classics** a captivating literary prize pulsing with raw feelings, lies an extraordinary journey waiting to be undertaken.
