Rome Was My Beat:

Ezra Pound J. J. Wilhelm, 2010-11-01 This third and final volume of Wilhelm's life of Ezra Pound commences with Pound's departure from Paris at the height of his writing career for Italy where he hoped to find a quieter life and it takes him to his death in 1972. It tells how he settled in Rapallo and soon found Mussolini's fascism to be amenable to his own political and economic ideas especially during the dark days of the Great Depression. As Italy girded itself for World War II, Pound was almost haphazardly drawn into the web and he foolishly agreed to broadcast on Radio Rome for the Duce even after the bombing of Pearl Harbor. When Italy fell to the Allies, Pound was put first into a dreadful American detention camp at Pisa and then was flown to Washington to be tried for treason. He escaped conviction on grounds of insanity but he was then remanded to St Elizabeth's Hospital where he languished for twelve years. Despite the incarcerations, Pound produced during this time some of his most magnificent poetry including *The Pisan Cantos* and numerous excellent translations from the Chinese and Greek. He also heavily influenced an entire generation of poets ranging from Robert Lowell to Allen Ginsberg. With the help of Archibald MacLeish and Robert Frost, Pound was eventually freed in 1958. He returned to Italy where he lived for a time with his wife and daughter. During the final years of his life, he eventually returned to live with his aged lover Olga Rudge in Venice and Rapallo. He died in Venice in 1972 and is buried next to Igor Stravinsky, whose work his own strongly resembles since they both fought for liberation from traditional forms.

Obelisk Neil Pearson, 2007-01-01 *Obelisk: A History of Jack Kahane and the Obelisk Press* details the history of one of the most extraordinary and controversial publishing enterprises of the twentieth century. Publisher simultaneously of the infamous novels of the literary elite as well as low budget erotica and dirty books, Jack Kahane's Obelisk Press published the likes of Henry Miller, James Joyce, Anaïs Nin, and D. H. Lawrence alongside a lengthy list of censor-baiting eccentrics like N. Reynolds Packard. The New York Daily News Rome correspondent and the self-styled Marco Polo of Sex, *Here for the first time* is the story of this remarkable venture which captures some of the twentieth century's most outrageous literary personalities and their often scandalous exploits including the failed golf club society magazine run by Nin Miller and Lawrence Durrell and the tortured relationship between Obelisk author Marjorie Firminger and Wyndham Lewis. A richly illustrated cultural history of 1920s Paris, a fully narrated bibliography of works published by an unforgettable literary institution, and a glimpse into the remarkable life of the Press's creator Jack Kahane, *The Obelisk Press* is a publishing event not to be missed by anyone with an interest in twentieth century literary lives and letters.

The Deserters Charles Glass, 2014-05-27 A n impressive achievement, a boot level take on the conflict that is fresh without being cynically revisionist. *The New Republic*: A groundbreaking history of ordinary soldiers struggling on the front lines. *The Deserters* offers a completely new perspective on the Second World War. Charles Glass, renowned journalist and author of the critically acclaimed *Americans in Paris: Life and Death Under Nazi Occupation*, delves deep into army archives, personal diaries, court martial records, and self-published memoirs to produce this dramatic and

heartbreaking portrait of men overlooked by their commanders and ignored by history. Surveying the 150 000 American and British soldiers known to have deserted in the European Theater, *The Deserters: A Hidden History of World War II* tells the life stories of three soldiers who abandoned their posts in France, Italy, and Africa. Their deeds form the backbone of Glass's arresting portrait of soldiers pushed to the breaking point, a sweeping reexamination of the conditions for ordinary soldiers. With the grace and pace of a novel, *The Deserters* moves beyond the false extremes of courage and cowardice to reveal the true experience of the frontline soldier. Glass shares the story of men like Private Alfred Whitehead, a Tennessee farm boy who earned Silver and Bronze Stars for bravery in Normandy yet became a gangster in liberated Paris, robbing Allied supply depots along with ordinary citizens. Here also is the story of British men like Private John Bain who deserted three times but never fled from combat and who endured battles in North Africa and northern France before German machine guns cut his legs from under him. The heart of *The Deserters* resides with men like Private Steve Weiss, an idealistic teenage volunteer from Brooklyn who forced his father, a disillusioned First World War veteran, to sign his enlistment papers because he was not yet eighteen. On the Anzio beachhead and in the Ardennes forest as an infantryman with the 36th Division and as an accidental partisan in the French Resistance, Weiss lost his illusions about the nobility of conflict and the infallibility of American commanders. Far from the bright picture found in propaganda and nostalgia, the Second World War was a grim and brutal affair, a long and lonely effort that has never been fully reported to the detriment of those who served and the danger of those nurtured on false tales. Today, revealing the true costs of conflict on those forced to fight, *The Deserters* is an elegant and unforgettable story of ordinary men desperately struggling in extraordinary times. *The Transnational Beat Generation* N. Grace, 2012-03-15 This collection maps the Beat Generation movement, exploring American Beat writers alongside parallel movements in other countries that shared a critique of global capitalism. Ranging from the immediate post-World War II period and continuing into the 1990s, the essays illustrate Beat participation in the global circulation of a poetics of dissent.
