Olson, 2018-04-12 The term cult film may be difficult to define but one thing is certain A cult film is any movie that has developed a rabid following for one reason or another From highly influential works of pop art like Eraserhead and Faster Pussycat Kill Kill to trash masterpieces such as Miami Connection and Fateful Findings thousands of movies have earned recognition as cult classics over the years and new movies rise to cult status every year So how do viewers searching for the best or most important cult films decide where to start In 100 Greatest Cult Films Christopher J Olson highlights the most provocative intriguing entertaining and controversial films produced over the last century The movies included here have either earned reputations as bona fide cult classics or have in some way impacted our understanding of cult cinema often transcending traditional notions of good and bad while featuring memorable characters unforgettably shocking scenes and exceptionally quotable dialogue With detailed arguments for why these films deserve to be considered among the greatest of all time Olson provides readers fodder for debate and a jumping off point for future watching A thought provoking and accessible look at dozens of cinematic treasures this resource includes valuable information on the films creators and institutions that have shaped cult cinema Ultimately The 100 Greatest Cult Films offers readers from casual cinephiles film scholars and avid fans alike a chance to discover or re discover some of the most memorable films of all time *Romy and Michele's High School Reunion* Robin Schiff, 1996* **I Won't Grow Up!** Anthony Balducci, 2015-11-26 A film archetype as old as film itself the man child has been an enduring comedy subject Classics as diverse as Hail the Conquering Hero 1944 and The Apartment 1960 have used the immature male to drive plots and press the importance of growing up But he was not born fully formed it took the shifting social norms of decades to mold the atrocious behavior of the puerile buffoon we know today The man child has come under scrutiny in recent years Prominent writers including David Denby and A O Scott have criticized the modern comedian behaving in shamelessly childish ways This book provides a comprehensive examination of the character of the man child from Andre Deed who debuted on screen in 1901 to Seth Rogen The author discusses changing cultural attitudes about maturity what it means to be an adult what it means to be a child and how those things are becoming increasingly confused *Friends* , *Neo-Feminist Cinema* Hilary Radner, 2010-11-01 What lies behind current feminist discontent with contemporary cinema Through a combination of cultural and industry analysis Hilary Radner's Neo Feminist Cinema Girly Films Chick Flicks and Consumer Culture shows how the needs of conglomerate Hollywood have encouraged an emphasis on consumer culture within films made for women By exploring a number of representative girly films including Pretty Woman Legally Blonde Maid in Manhattan The Devil Wears Prada and Sex and the City The Movie Radner proposes that rather than being post feminist as is usually assumed such films are better described as neo feminist

Examining their narrative format as it revolves around the story of an ambitious unmarried woman who defines herself through consumer culture as much as through work or romance Radner argues that these films exemplify neo liberalist values rather than those of feminism As such Neo Feminist Cinema offers a new explanation as to why feminist oriented scholars and audiences who are seeking more than labels and love from their film experience have viewed recent girly films as a betrayal of second wave feminism and why on the other hand such films have proven to be so successful at the box office
