Spitz, 2019-10-01 From New York Times bestselling biographer Bob Spitz a full and rich biography of an epic American life capturing what made Ronald Reagan both so beloved and so transformational More than five years in the making based on hundreds of interviews and access to previously unavailable documents and infused with irresistible storytelling charm Bob Spitz's *REAGAN* stands fair to be the first truly post partisan biography of our 40th President and thus a balm for our own bitterly divided times It is the quintessential American triumph brought to life with cinematic vividness a young man is born into poverty and raised in a series of flyspeck towns in the Midwest by a pious mother and a reckless alcoholic largely absent father Severely near sighted the boy lives in his own world a world of the popular books of the day and finds his first brush with popularity even fame as a young lifeguard Thanks to his first great love he imagines a way out and makes the extraordinary leap to go to college a modest school by national standards but an audacious presumption in the context of his family's station From there the path is only very dimly lit but it leads him thanks to his great charm and greater luck to a solid career as a radio sportscaster and then astonishingly fatefully to Hollywood And the rest as they say is history Bob Spitz's *REAGAN* is an absorbing richly detailed even revelatory chronicle of the full arc of Ronald Reagan's epic life giving full weight to the Hollywood years his transition to politics and rocky but ultimately successful run as California governor and ultimately of course his iconic presidency filled with storm and stress but climaxing with his peace talks with the Soviet Union that would serve as his greatest legacy It is filled with fresh assessments and shrewd judgments and doesn't flinch from a full reckoning with the man's strengths and limitations This is no hagiography Reagan was never a brilliant student of anything and his disinterest in hard nosed political scheming while admirable meant that this side of things was left to the other people in his orbit not least his wife Nancy sometimes this delegation could lead to chaos and worse But what emerges as a powerful signal through all the noise is an honest inherent sweetness a gentleness of nature and willingness to see the

good in people and in this country that proved to be a tonic for America in his time and still is in ours It was famously said that FDR had a first rate disposition and a second rate intellect Perhaps it is no accident that only FDR had as high a public approval rating leaving office as Reagan did or that in the years since Reagan has been closing in on FDR on rankings of Presidential greatness Written with love and irony which in a great biography is arguably the same thing Bob Spitz's masterpiece will give no comfort to partisans at either extreme for the rest of us it is cause for celebration The Great American Playwrights on the Screen Jerry Roberts,2003-05 The profound expansion of television into American homes in the 1950s brought a flood of adapted plays to the small screen and resulted in the rebirth of the careers of many significant playwrights The Great American Playwrights on the Screen provides fans with a video and DVD guide to the adapted works of the playwrights and shows which versions are available for home viewing and in what media VHS and DVD It resurrects the memory of television productions of plays at a critical time when many of them including Emmy winners and nominees are deteriorating in vaults BOOK JACKET *Forbidden Bookshelf Presents Dan E. Moldea* Dan E. Moldea,2018-10-23 Three exposés of corruption behind the NFL the Teamsters and Jimmy Hoffa and Ronald Reagan from an investigative reporter who never relents The Washington Post Interference A shocking exposé of widespread corruption and mob influence throughout the National Football League on the field in the owners' boxes and in the corporate suites A true and terrifying picture of a business whose movers and shakers seem to have more connections to gambling and the mob than to touchdowns and Super Bowls Keith Olbermann The Hoffa Wars The definitive portrait of the powerful corruption-ridden Teamsters union and its legendary president Jimmy Hoffa organizer gangster convict and conspirator whose disappearance in 1975 remains one of the great unsolved mysteries Mr Moldea's view of the Hoffa wars which reached its greatest intensity when Robert Kennedy was Attorney General may explain not only Mr Hoffa's disappearance but the assassination of John Kennedy as well The Wall Street Journal Dark Victory A smoldering indictment of the corrupt influences that rescued Ronald Reagan's acting career made him millions resulting in a federal grand jury hearing backed his political career and shaped his presidency Library Journal Moldea has through sheer tenacity amassed an avalanche of ominous and unnerving facts Dark Victory is a book about power ego and the American way Los Angeles Times **Great Cinema Detectives** John Howard Reid,2006-08-03 Providing an overview of the entire thriller genre this book examines over 160 movies from classic Hollywood and British studios including such essential film noir entries as *Murder My Sweet* *The Dark Corner* *The Maltese Falcon* and *Afraid To Talk* Great cinema detectives are represented by William Powell all six of his Thin Man pictures are detailed and discussed Basil Rathbone Sherlock Holmes Warner Oland Charlie Chan Sidney Toler Charlie Chan Peter Ustinov Hercule Poirot Margaret Rutherford all four of her Miss Marple films are covered and others including *the Saint* *the Falcon* *Bulldog Drummond* and *Philo Vance* From director Alfred Hitchcock comes *Notorious* *Saboteur* *Number 17* and *Rich and Strange* A few comedies and spoofs such as *Satan Met a Lady* an amazing remake of the original *Maltese Falcon* with Bette Davis and
